8.2 COUNCIL MEMBER REPORTS (Verbal or written updates from members who sit on boards/committees)

Nothing to report.

8.3 REQUESTS BY MEMBERS

Councillor Seip commented on safety concerns at the former Wingham Public School construction site during daytime hours when children are walking to and from school, noting that parking is an issue on John Street between Carling Terrace and Frances Street.

Councillor Knott reported being approached with concerns over property issues due to recent heavy rains and some residents using sump pumps to pump water onto streets, other properties and into the water system. It was discussed that the Public Works department is aware of the issue and letters have been sent to the owners of properties involved. It was requested that Councillor Knott provide a list of the properties in which he has been contacted about to the Clerk for follow up.

Councillor Vodden pointed out that the 2016 budget process has been difficult and suggested investigating potential cost savings that could result from not installing ice in the arenas. A Notice of Motion will be made at the next regular Council meeting.

Councillor Knott enquired on agenda item 4.2.3.1 Recreation and Facilities Department Activity Report, questioning the status of WiFi investigations for the Blyth Campground. It was reported that the Blyth Arena Board decided that WiFi for the campground was not a priority item and they have instead chosen to focus on hydro upgrades.

Meeting 2 - 7:30 pm 222 Dinsley St. Blyth
A Committee of the Blyth BIA

Date; March 2, 2016

Attendance: Lorna Fraser, Vicky Bremner, Deb Stryker, Averly Kikkert, Connie Goodall,
Cat O'Donnell, Rick Elliott

Absent Sharon Davis

Hereafter referred to by first name.

Contact BBIA, Averly and Cat volunteered

Car Show: The Lion's park has been booked. A local DJ has been booked through the good ole boys, at the cost of \$300. This should be covered through vehicle registration. They are charging \$10 per car and bike. They have plans for door prizes. They have asked Ken Whitmore for 100 dash plaques and have placed an ad in the Old Auto magazine. It will run for all editions for 4 months prior. (it is a bi weekly magazine) It has been paid through Lorna's credit card. (\$28.35)

Threshers have been asked about a people mover to be used to take people back and forth from the car show to the main stage. The Threshers will rent the mover at a cost of \$250 which will be returned to the Streetfest. We need to supply a tractor. They also have been asked if bleachers can be moved to the main stage area. We were told that shouldn't be a problem.

Hot Dog and Hamburg vender needed for main street. As the Lion's have decided to have their booth at the park we have asked the Ladies Auxiliary - declined at this time. Lorna will ask the United Church and the Anglican Church to have a joint booth.

Soccer Tournament *Is being planned though Annie and David Sparling as per last year. This brings approx. 60 families.*

Dunk Tank *The tank has been booked for \$100 from Clinton. Someone has to pick it up with a truck with a hitch.*

Averly has offered to come up with ideas on the operations of the booth.

Entertainment: JP Magic (Children's entertainer) will perform for 45 minutes

The Hiller Family has been asked to return as well as the Brussels Pipe Band have also confirmed. They will each perform approx. 30 minutes.

Lorna will be our Emcee.

Posters: The poster is being reviewed, discussion of the changes. It will be taken to the printers.

Vendors /Crafters Deb has been working on this

Advertising: The small ads will start next week in the Citizen.

"Lettuce Head"quarters - Sharon's building if it is not sold. Same as last year.

Radio advertising will proceed as it has last year.

Silent Auction:

Letters to businesses and vendors are being reviewed and sent out.

Other Business:

It was brought to our attention that the stage be moved to the car wash to not interfere with the theatre performance and rehearsals. Therefore, the street closer will be moved to Drummond to Wellington. This should be more of a flow for the Car Show at the park.

The Dunk Tank can be set up at the Christian Reform Church. The Bike rodeo could be moved to the area of the corner of Dinsley and Queen Streets.

Also as per policy a member of the executive of the BBIA must attend all meetings. Rick will attend.

To North Huron Council,

April 2nd 2016

We the taxpayers of North Huron need a hard surface on the well travelled Nature Centre Road.

We have a very poor grader operator who drives the grader too fast leaving a wash-board road, there isn't even enough air in the grader's tires. Pot holes are still there after the road has been graded. Only the top half of the pot hole is removed and the other half filled with loose gravel. No time, the pot holes are there again, making our road not even safe to drive on, causing damage to vehicles.

Nature Centre Road is well travelled due to Maitland Valley Conservation and Dave & Gloria Hedley's Fish Pond.

If we had a hard surface on Nature Centre Road there would be more traffic to Maitland Valley and Hedley's bringing people from afar.

If we had a hard surface we wouldn't be scooping expensive gravel out of the ditches and off grass that is cut on most of the sides of the road.

If we had a hard surface you wouldn't have to prepare the road for expensive spray to keep the dust down in summer.

With our poor grader operator the pot holes were so deep the road had to be graded in the summer losing our expensive dust spray.

Thanking you for making it possible to have a hard surface on Nature Centre Road.

Dear Residents of North & East Kawaruk Ward.

We are writing to you as concerned residents of the East Kawaruk Ward of North & East Kawaruk Ward. We are very concerned about the state of our roads and the maintenance they are receiving. Our grade operators are driving much too fast, our roads are deeply rutted with numerous potholes, large enough to damage a vehicle, gravel that should be on the road is in the yards and fields and most recently the roads were graded and some how large clumps of dirt and gravel ended up in the centre of the road causing drivers to have to swerve or drive on the wrong side of the road to prevent damaging their vehicles.

It appears that the road had been disced. Gravel roads in our neighbouring municipalities do not have the same problems with their surfaces.

Some of our roads are well-travelled and support businesses and recreation.

We would like our graders operators to be trained and more closely supervised in their daily work.

The residents tell us we have been forgotten about for our share of tax dollars. -- Nothing mentioned in the budget for East Kawasuck Ward roads, we want our share

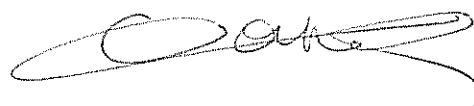

of the road money that is being spent on the other side of the town.

ASSOCIATION OF ONTARIO ROAD SUPERVISORS

PROMOTING KNOWLEDGE. PURSUING EXCELLENCE.

RECEIVED

APR - 4 2016

TOWNSHIP OF NORTH HURON

March 30, 2016

Township of North Huron
274 Josephine Street, PO Box 90
Wingham, ON NOG 2W0

Attention: Reeve Neil Vincent and Council

Re: Scott Price CRS-S

Dear Reeve and Council Members:

On behalf of the Association of Ontario Road Supervisors (AORS), I would like to congratulate your employee, **Scott Price** for his recent **Certified Road Supervisor - Senior** certification. As well, thank you for supporting your employee and we encourage you to publicly acknowledge this achievement.

AORS has been serving public works professionals since 1961. In 1996 AORS was granted – by Provincial Legislation – the exclusive right to use the designation ‘Certified Road Supervisor’ (CRS). The four levels of Certification – Associate, CRS, Intermediate and Senior – have mandatory experience and education criteria established by the AORS Education Committee and Certification Board. Certified individuals may publicize their credential by using initials after their names and we would certainly encourage your employee to do so.

Certification is important for your Municipality because it increases corporate ‘professionalism’, accountability and morale. Certified Road Supervisors use their broad base of knowledge to make confident decisions and therefore serve Council and public more effectively.

AORS is committed to the training and development of experienced, reliable and efficient personnel for the construction and maintenance of public roads in rural and urban municipalities across Ontario.

Thank you again for supporting AORS and for helping us meet our objectives.

Yours truly,

John Maheu, M.A.Sc., P.Eng.
Executive Director

cc. Scott Price CRS-S

This has not ended up like it started, it became apparent that we have a lot of unhappy people concerning our roads in North Huron "East Wawanosh Ward"

"We the undersigned"

Complaints - Summer: dust
Winter: Poor snow removal especially corners
Spring: Gravel on lawns and ditches
All Year Long: Pot holes (huge)

Requests - Our share of our taxes back on our roads
- Road employees accountable for their workmanship.

Additional Comments:

The purpose of this application is to create a new lot and easement through a surplus farm dwelling severance. The land to be severed is approximately 1.1 acres and contains an existing dwelling and shed. The land to be retained is approximately 98.2 acres of farmland and will continue to be used for agricultural purposes.

Comments Received

The application was originally circulated on February 26th 2016 but comments received from the Huron County Health Unit stated that they could not support the application as originally circulated because the existing septic system was not entirely contained within the proposed severed parcel and there was insufficient room for a future replacement system. The proposed severed parcel dimensions were amended by the applicants and sent to the Health Unit for their confirmation of satisfaction. Once it was deemed appropriate and able to be supported by the Health Unit, the application was re-circulated to reflect the new dimensions to accommodate the septic system.

Provincial Policy Statement

The *Provincial Policy Statement, 2014* (PPS) in Section 2.3.4.1 only permits lot creation in prime agricultural areas for agricultural uses, agriculture-related uses, a residence surplus to a farming operation, and infrastructure. The PPS requires that the remnant farmland from a surplus farm residence severance be prohibited from having a residence. This application is for a surplus dwelling severance and, provided a condition is attached to the approval prohibiting a new residence on the retained parcel, is consistent with the Provincial Policy Statement.

Official Plan Policies

The subject property is designated Agriculture, Natural Environment-Limited Protection and Extractive Resources in the North Huron Official Plan. The consent policies in Section 11.3.1 of the Township of North Huron Official Plan contain criteria to permit a surplus dwelling severance in an Agriculture designation. These policies are similar to those found in the Huron County Official Plan and are as follows:

North Huron Surplus Residence Criteria	Compliance with Criteria
<i>House is surplus to a farm operator</i>	Yes, the Haines own several other farms in North Huron, including their residence at 85964 Currie Line.

Consent Application Report – File # B72/2015

<i>House is at least 15 years old or replaces a house that was 15 years old.</i>	Yes, the dwelling was built prior to the 1950s.
<i>The residence is habitable and intended to be used as a residence.</i>	Yes, it is habitable and intended to be used as a residence.
<i>The area of farmland attached to the surplus house is kept to a minimum size needed for residential purposes, taking into consideration water and sewage services and environment and topographic features.</i>	Yes, severed area is minimal in area and is necessary to support the residential use and private services.
<i>Minimum Distance Separation (MDS) formula requirements are met to the surplus house if barn(s) exist on the retained farmlands. MDS does not apply to existing barns on separately titled lots.</i>	There are no barns remaining on the retained farmlands.
<i>There has been no previous separation of land for residential purposes as it existed on June 28, 1973</i>	Yes. There have been no previous separations of land for <u>residential</u> purposes.
<i>The retained lands are a minimum of 19 hectares unless merged with an abutting farm property.</i>	Yes, The retained lands are approximately 39.74 hectares.
<i>Where residence is within 300m of an aggregate operation or deposit an assessment of potential impact may be required.</i>	The residence is within 300m of an identified aggregate deposit and an Aggregate Impact Assessment was required to be completed as part of the severance application.

As part of the complete application for this proposed severance per Section 12.1.20 of the Official Plan, it was required to have an Aggregate Impact Assessment completed. The Assessment was to determine the impact on the existing aggregate deposit on the severed and retained lands. The aggregate deposit on the subject property contains Secondary No Constraints deposits. Once completed, the Aggregate Impact Assessment stated that there did not appear to be significant aggregate resources in the proposed severed area and since the existing dwelling was constructed prior to 1950, there will be no change in land use or new development as a result of this severance that would create new or additional constraints for the surrounding aggregate resource area.

This application conforms to the North Huron Official Plan policies and is recommended for approval.

Zoning By-Law Provisions

The subject land is currently zoned General Agriculture (AG1). The subject property will automatically be rezoned in accordance with the provisions of Section 3.38 of the North Huron Zoning By-Law with the proposed severed lands being rezoned to AG4-9 Agricultural Small Holding Zone and the proposed retained lands being rezoned to AG2 Restricted Agriculture Zone.

Recommended Conditions

Expiry Period

- √ Conditions imposed must be met within one year of the date of notice of decision, as required by Section 53(41) of the Planning Act, RSO 1990, as amended. If conditions are not fulfilled as prescribed within one year, the application shall be deemed to be refused. Provided the conditions are fulfilled within one year, the application is valid for two years from the date of decision.

Municipal Requirements

- √ All municipal requirements be met to the satisfaction of the Township including servicing connections if required, cash-in-lieu of park dedication, property maintenance, compliance with zoning by-law provisions for structures, and any related requirements, financial or otherwise.
- √ The subject parcel be numbered and addressed for 911 purposes to the satisfaction of the Township.

Consent Application Report – File # B72/2015

√ The sum of \$500 be paid to the Township as cash-in-lieu of parkland.

Survey

√ Provide to the satisfaction of the County and the Township:
a) a survey showing the lot lines of the severed parcel and the location of any buildings thereon, and
b) a reference plan based on the approved survey

Zoning

√ Where a violation of any municipal zoning by-law is evident, the appropriate minor variance or rezoning be obtained to the satisfaction of the Township.

Storm Water

√ Section 65 of the Drainage Act to be addressed to the satisfaction of the Township.

Septic System Inspection

√ Applicant is to provide a letter from a licensed contractor advising that the tank has been pumped and is functioning properly for the severed parcel of land to the satisfaction of the Township.

Note: The applicant is hereby advised that the severed parcel will be automatically rezoned to recognize the residential parcel (e.g. AG4-9) and the retained farmlands will be automatically rezoned to prohibit a new residence (e.g. AG2) in the North Huron Zoning By-law.

REPORT

Item No.

REPORT TO: Reeve Vincent and Members of Council
PREPARED BY: Donna White
DATE: 18/04/2016
SUBJECT: BIA Budget Submission Report
ATTACHMENTS: Wingham and Blyth BIA 2016 Budgets

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby accepts the 2016 BIA Budget Submission Report dated April 18, 2016 presented by the Director of Finance;
AND FURTHER that Council adopts the 2016 Wingham BIA Budget and the 2016 Blyth BIA "Revised" Budget as presented;
AND FURTHER that Council adopts the Transfer from Reserve in the amount of \$9,200.00 for the Wingham BIA Streetlight Project and this amount be included in the 2016 Budget.

EXECUTIVE SUMMARY

The Wingham and Blyth BIA's are required to submit their budgets to the Council of the Township of North Huron for approval once their budgets have been adopted at their respective Annual General Meetings and prior to the adoption of the annual municipal budget.

DISCUSSION

The Blyth BIA budget has been revised to remove the revenue and expenses related to the Marketing Co-ordinator position. The Wingham BIA budget includes the transfer from reserves in the amount of \$9,200.00 currently held in the Township reserves.

FINANCIAL IMPACT

The BIA Levy amounts will be added to the 2016 final tax billing.

TOWNSHIP OF NORTH HURON

REPORT

Item No.

REPORT TO: Reeve Vincent and Members of Council
PREPARED BY: Donna White
DATE: 18/04/2016
SUBJECT: Patrick Street Reconstruction Project – Tender Results
ATTACHMENTS: R J Burnside Recommendation Letter

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby accepts the recommendation from R. J. Burnside to accept the tender submitted by Lavis Contracting Co. Ltd. In the amount of \$310,564.50 (including HST) for the Patrick Street Reconstruction project subject to the execution of the necessary documentation.

EXECUTIVE SUMMARY

The Patrick Street Reconstruction Project received pre-budget approval by Council to proceed to tender using the Invited Competitive Bid process on April 4, 2016. The project location is one block on Patrick Street from Carling Terrace to Catherine Street in the Wingham ward and has been submitted for OCIF Formula Based Funding. The project was originally tendered in June of 2015, however the lowest bid received was significantly more than the budget estimate and therefore the project did not proceed. The bids results for this tender were lower than the 2015 amounts and within the 2016 budgeted amount. This project has been identified as a “very high risk” in the Township Asset Management Plan.

DISCUSSION

Four tenders were received meeting the tender requirements and the lowest bid received was from Lavis Contracting Ltd. This tender was reviewed by the engineer and recommended for approval by Council.

FINANCIAL IMPACT

The 2016 budget includes \$325,018 (net of HST) allocated to roads, storm, water and sanitary sewer which includes engineering estimated at \$13,500. The budget amount is sufficient to cover the tender amount of \$279,672.96 (net of HST) plus the engineering estimate.

FUTURE CONSIDERATIONS

The project is to be substantially completed by September 30, 2016

Dear Ms. Chambers:

**Re: Patrick Street Reconstruction 2016
Tender Results
Project No.: 300034887.1000**

The offices of the Township of North Huron received four Bid Submissions for the aforementioned project from the Bidders noted below prior to the Bid Closing time of 12:00 p.m. on April 14, 2016. We have reviewed the submitted Bids for mathematical errors and omissions and the following is a summary of the official results:

Bidders	Subtotal Bid (not including HST)	Total Bid (including HST)
Lavis Contracting Co. Limited	\$274,835.84	\$310,564.50
VanDriel Excavating Inc.	\$284,777.76	\$321,798.87
Kurtis Smith Excavating Inc.	\$288,000.00	\$325,440.00
Hanna & Hamilton Construction	\$300,380.91	\$339,430.43

We have reviewed the low bidder's price breakdown and deem it to be reasonably balanced. Their overall bid has also been found to be in compliance with the requirements of the Bid Documents. The low bidder intends to complete the majority of the work using their own forces and has sub-contractors indicated for the concrete and landscaping.

In consideration of the above, we hereby recommend that the contract be awarded to Lavis Contracting Co. Limited.

Should you have any questions or wish to discuss in further detail, please do not hesitate to contact the undersigned.

Yours truly,

PREPARED BY: Pat Newson, Director of Recreation and Facilities
DATE: 18/04/2016
SUBJECT: Blyth Memorial Community Hall Renovation Project Schedule Update
ATTACHMENTS: [Click here to enter text.](#)

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby approve the following revised project schedule for the Blyth Memorial Community Hall Renovation Project

<u>Action</u>	<u>Pervious Approved Schedule</u>	<u>Revised Schedule</u>
General Contractor Bid Process	April 19-May 25, 2016	May 17 – June 14, 2016

Contractor mobilizes site	September 19, 2016	No change
Substantial Performance	May 1, 2017	No change
Completion	May 20, 2016	No change

EXECUTIVE SUMMARY

Prior to tendering the project, the funding transfer agreements between the Province and 14/19 Inc., and between 14/19 Inc. and the Township of North Huron need to be finalized. There have been delays in this process which cannot be avoided. The consulting architect has provided input into this revised schedule, and anticipate no impact to the project by making these revisions.

DISCUSSION

As Council is aware from previous reports and discussions on this project, the funding agreements are important for North Huron to be assured of the terms surrounding the funding transfer for the project. The delays are a result of logistics and the process of completing the agreements, and not related to the commitment of the funding. That remains in place.

FINANCIAL IMPACT

The project budget and funding details have not changed.

FUTURE CONSIDERATIONS

Council can anticipate final approval of the agreement at the May 16, 2016 Council meeting.

TOWNSHIP OF NORTH HURON

REPORT

Item No.

REPORT TO: Reeve Vincent and Members of Council
PREPARED BY: Pat Newson, Director of Recreation and Facilities
DATE: 18/04/2016
SUBJECT: Snowmobile Club Use of Blyth Greenway Trail
ATTACHMENTS: [Click here to enter text.](#)

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby approve the expense to have our North Huron lawyer revise the standard agreement for the Snowmobile Club use of the trails, and present this revised agreement to the North Huron Snowmobile Club for their consideration in order to use the Blyth Greenway Trail.

EXECUTIVE SUMMARY

At the March 7, 2016 Council meeting, the Director of Recreation and Facilities was directed to further investigate whether the Ontario Snowmobile Association's standard Memorandum of Understanding for Snowmobile Trail Land Use for the Blyth Greenway Trail would sufficiently transfer risk and liability to the snowmobile club and their members using the trail.

DISCUSSION

The Township insurance provider (BFL) reviewed the Memorandum of Understanding and suggested some changes to the standard Memorandum of Understanding. In general their understanding is that the snowmobile clubs are well organized and do take care of the trails they are responsible for. Their comments on the MOU was that it does not adequately protect the municipality because there is no indemnification/hold harmless clause. It is also recommended that the MOU clearly define what the municipality will or will not do in the case of trail and sign maintenance, and inspections. The standard agreements and comments from the North Huron insurance provider were shared with the Township lawyer, and he agreed with the recommended inclusions from the insurance provider, and had additional suggestions that would further protect the Township.

In order for the process to continue, the cost of updating the agreement sits with the Municipality. The snowmobile association provides their standard MOU, and if the municipality would prefer a customized agreement, the duty is with the Township to provide that customized agreement for their review.

The Village of Blyth benefits from the snowmobile club use of the trail. Users visit the community for fuel, food, and rest stop. It is a tourist stop along the snowmobile trail. It is recommended that if Council would like to continue to provide the snowmobile club use of the Blyth Greenway Trail, that a customized agreement be prepared and put in place prior to the winter of 2016/2017.

FINANCIAL IMPACT

The estimated expense to draft a revised agreement from the lawyer is \$200-\$300. However if there are further reviews and revisions required, the cost would increase depending on comments back from the snowmobile club.

FUTURE CONSIDERATIONS

Once the agreement is drafted, and reviewed and approved by the snowmobile club, it will be brought back to North Huron Council to review and adopt as by-law.

RELATIONSHIP TO STRATEGIC PLAN

Outcome: Tourism is a driver in economic development.

Goal: Our administration is fiscally responsible and strives for operational excellence.

TOWNSHIP OF NORTH HURON

REPORT

Item No.

REPORT TO: Reeve Vincent and Members of Council
PREPARED BY: Kelly Church
DATE: 18/04/2016
SUBJECT: Landfill Monitoring and Supplemental Work budget estimates for 2016
ATTACHMENTS: Burnside & Associates engineering estimates 2016

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby accepts the budget estimates for 2016 Monitoring and Supplemental work at North Huron landfill sites from Burnside & Associates Engineers

And further that the Council of the Township of North Huron authorize pre-budget approval with the amounts to be included in the 2016 budget

EXECUTIVE SUMMARY

The engineering firm of Burnside and Associates continues to provide landfill monitoring and supplemental services at both of North Huron landfill sites.

Monitoring is to be completed in accordance with the site's Environmental Compliance Approval (ECA) at both sites.

MOECC directed actions to investigate high levels of iron, arsenic and DOC levels have required the installation of two new wells on the North side of Reid Road and decommissioning of unused monitoring wells within the boundaries of the landfill site.

Both the wells and the decommissioning have been completed.

DISCUSSION

Full monitoring reports are to be submitted to the Ministry of Environment and Climate Change (MOECC) every three years. The report covering 2015-17 must be submitted by May 31 2018

The MOECC's August letter, regarding the arsenic levels at well OW38, requires additional investigation and reporting during spring 2016 (MOECC Directed Actions)

FINANCIAL IMPACT

Budget estimates for landfill monitoring and supplemental work at the two sites are:

East Wawanosh Landfill-\$24,375.00

Wingham landfill-\$49,800.00 including the MOECC directed action of \$24,350.00

Total for the two sites = \$69,525.00 for work in 2016

In light of the 2016 engineering estimates received, it is recommended that the 2016 budget be amended to reallocate the \$20,000.00 originally intended as a transfer to reserve for equipment replacement be added to the annual costs budget increasing the total to \$70,000.00 to meet the engineers estimate.

This reallocation will not impact the budget spending increase. Waste Department expenses will be monitored throughout the year and evaluated at year end to determine if any funds are available at that time to be transferred to reserves.

FUTURE CONSIDERATIONS

Discuss future impacts of project or activity, if any

Mr. Kelly Church
Director of Public Works
Township of North Huron
274 Josephine Street, P.O. Box 90
Wingham ON N0G 2W0

Dear Mr. Church:

**Re: 2016 East Wawanosh Landfill Monitoring and Supplemental Work Program
Project No.: LNE085780.2016**

This letter provides a budget estimate for the 2016 monitoring program for the East Wawanosh Landfill. The work program for the Wingham Landfill is provided under separate cover.

Monitoring and Reporting

Monitoring of the East Wawanosh Landfill Site is to be completed in accordance with the site's Environmental Compliance Approval (ECA) number A162501, dated January 20, 2010, amended March 13, 2013. For the purposes of this estimate, the standard monitoring services include hydrogeological and operational monitoring in the spring and fall of 2016.

Monitoring reports are required to be submitted to the Ministry of the Environment and Climate Change (MOECC) every other year. The last report, covering 2012 and 2013, was completed in April 2014. The 2014 and 2015 report, to be submitted by April 30, 2016, is included in this budget.

The number of spring and fall sampling locations is summarized on Table 1 below. As part of the groundwater monitoring program, we normally collect samples from the drinking water well of a neighbouring landowner. In all cases, Burnside collects samples in accordance with MOECC standards.

Table 1: Sampling Locations

	Number of Locations
Groundwater Samples (monitoring wells)	9
Private Well Samples	1
Surface Water Samples	1
QA/QC Samples ¹	1
Landfill Gas Measurements ²	7
1.	Duplicate groundwater samples are collected from randomly selected wells for quality assurance/quality control (QA/QC) during each monitoring visit.
2.	Landfill gas locations include 3 gas probes, 3 monitoring wells and 1 building.

Waste Volume Survey

The ECA requires calculations of volume of waste placed and remaining capacity be included in the monitoring program. Therefore, topographic surveys of the waste have been completed every other year prior to the biennial monitoring report. The last survey was completed in December 2015. Burnside understands that the site was inactive during 2015 and will remain that way during 2016 and for the foreseeable future. Therefore, we have not included the cost of a survey in this budget. Should activity resume, a survey may be required during 2017.

Landfill Liability Assessment

Ontario municipalities are required to report annually on financial liabilities related to closure and post closure care for their operating and closed landfills. The Public Sector Accounting Board requires the assessment be updated annually and submitted with your municipal financial reporting. Burnside's most recent assessment was completed in May 2015 for the year ending December 31, 2014. As an inactive site with many decades of remaining capacity, an updated assessment is unlikely to result in changes to the projected liability value. While we have not included a specific budget, Burnside will review our previous liability assessment and confirm this assumption following completion of the 2014-2015 Monitoring Report (above).

Overall Work Program Budget

Table 2, below, provides a breakdown of the anticipated costs for completing the 2016 work program. Some of this work extends into 2017, and is shown on the table as such. The table also includes the monitoring report budget approved as part of the 2015 work program to be completed in 2016. Because of the biennial nature of the monitoring reports, there are differences in the annual budgets (comparison of 2015 vs. this 2016 budget). I would be pleased to provide comparison points for your consideration if you wish.

Table 2: East Wawanosh Landfill Work Program Estimate

	2016	2017	Total

Notes:

1. Estimate is based on spring and fall sampling at locations indicated in Table 1.
2. This work was included as part of the 2015 work program (Burnside's letter of January 8, 2015), to be completed during 2016.
3. Estimates exclude taxes.

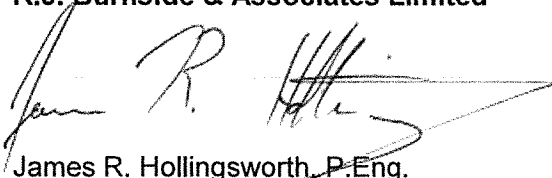

Authorization to Proceed

Burnside's Standard Conditions of Service and an Authorization to Proceed form are enclosed with this letter. Standard Conditions of Service

Services

The services provided, if not specifically limited by the Client, will be at the Consultant's discretion for acting in the Client's best interest for the type of work requested.

Fees and Expenses

Billing will be in accordance with the fees as outlined in the proposal, plus expenses. Expenses properly incurred in connection with the project will be billed at cost plus an administrative charge of eight percent.

The Consultant will assist in selecting and coordinating other Consultants on Client's behalf. The Consultant does not accept any liability for other Consultants' work and encourage Clients to do their own investigations. Clients are encouraged to request that other Consultants invoice them directly and save the eight percent added administration charge on that expense.

Invoices

Invoices will be submitted on a monthly basis. Interest (1 percent per month of the unpaid amount) will be added to all unpaid balances after 30 days from date of invoicing. If the Client objects to all or any portion of an invoice, the Client shall so notify the Consultant in writing within 14 calendar days of the invoice date, identify the cause of disagreement, and pay when due that portion of the invoice, if any, not in dispute.

If the Client fails to pay undisputed invoiced amounts within 30 calendar days of the date of the invoice, the Consultant may at any time, without waiving any other claim against the Client and without thereby incurring any liability, suspend or terminate this Agreement as provided elsewhere in these Standard Conditions of Service.

Changes in Scope

The scope of work identified is based on the Consultant's understanding of the work required to complete the project at the time of this proposal. In light of occurrences or discoveries that were not originally contemplated by or known by the Consultant, the Consultant may be required to discuss with the Client a change in the scope of the project, which may require a revision to this agreement. Should such a situation arise, the Consultant shall identify the changed conditions which make such discussions necessary and the Consultant and the Client shall promptly and in good faith enter into renegotiation of this agreement in order to continue to meet the Client's needs. If an agreement cannot be reached on the change in scope, the Client agrees that the Consultant has the absolute right to terminate this agreement.

Mediation

All claims, disputes and other matters in question between the parties to this agreement, arising out of or relating to this agreement or the breach thereof shall be decided by mediation, unless the parties mutually agree otherwise.

Limitation of Liability

For purposes of limitation of liability provisions contained herein, the Client expressly agrees that it has entered into this Agreement with the Consultant, both on its own behalf, and as agent on behalf of its employees and principals.

The Consultant's liability to the Client in Contract and Tort is limited to the total amount of the fee paid for professional services.

The Client expressly agrees that the Consultant's employees and principals shall have no personal liability to the Client in respect of a claim, whether in contract, tort and/or other cause of action in law. Accordingly, the Client expressly agrees that it will bring no proceedings and take no action in any court of law against any of the Consultant's employees or principals in their personal capacity.

No other party shall rely on the Consultant's work without the express written consent of the Consultant.

The Client will give prompt written notice to the Consultant whenever the Client or his representative becomes aware of any defects or deficiencies in Consultant's work.

Hold Harmless

Burnside's commitments as set forth in this Agreement are based on the expectation that all of the services described in this Agreement will be provided. In the event the Client later elects to reduce Burnside's scope of services, the Client hereby agrees to release, hold harmless, defend and indemnify Burnside from any and all claims, damages, losses or costs associated with or arising out of such reduction in services.

Field Review Services

Where engaged by the Client, the Consultant will provide field review services. It is understood that in engaging the Consultant, the Client

recognizes that the role of the Consultant in completing field review is to ensure conformity of the construction with the identified design. The Consultant does not provide direction to the Contractor on construction methods, nor does the Consultant warrant the Contractor's work - this is the sole responsibility of the Contractor for which the Consultant will not take any liability. Prior to the initiation of construction, the Client and the Consultant will agree on a field review schedule. The Client acknowledges that where a reduced field review schedule is agreed, the Consultant will not be held liable for any work completed by the Contractor for which the Consultant has not been on site to witness conformity with the design.

Governing Law

The laws of the Province of Ontario will govern the validity of this agreement, its interpretation and performance, and remedies for contract breach or any other claims related to this agreement.

Assignment

Neither party shall assign responsibilities without the written consent of the other.

Termination

The Client or Consultant may terminate this Agreement at any time and no further expense will be incurred beyond the time of notice to terminate. In the event such termination becomes necessary, the party effecting termination shall so notify the other party in writing, and termination will become effective 14 calendar days after receipt of such notice.

Irrespective of which party shall effect termination or the cause therefore, the Client shall, within 30 calendar days of termination, remunerate the Consultant for services rendered and costs incurred, in accordance with the Consultant's prevailing fee schedule and expense reimbursement policy. Services shall include those rendered up to the time of termination, as well as those associated with termination itself, such as demobilizing, modifying schedules, reassigning personnel, and so on. Costs shall include those incurred up to the time of termination, as well as those associated with termination and post-termination activities.

Suspension

Upon 14-calendar day's written notice to the Consultant, the Client may suspend the Consultant's work. If payment of the Consultant's invoices is not maintained on a 30 calendar day current basis by the Client, the Consultant may by 14-calendar day's written notice to the Client suspend further work until payment is restored to a current basis. Suspension for any reason exceeding 45-calendar days shall, at the Consultant's option, make this Agreement subject to renegotiation or termination, as provided for elsewhere in this Agreement. Any suspension shall extend the time schedule for performance in a manner that is satisfactory to both the Client and the Consultant, and the Consultant shall be compensated for services performed and charges incurred prior to the suspension date, plus suspension charges.

Suspension charges may include, but shall not be limited to, services and costs associated with putting analyses and documents in order, rescheduling and reassigning personnel and/or equipment and issuing necessary or customary notices to appropriate government boards. Compensation to the Consultant shall be based upon the Consultant's prevailing fee schedule and expense reimbursement policy.

Ownership of Documents

The Client shall be entitled to a copy of all drawings, specifications, designs and documents prepared by the Consultant but shall not use them for any other project. The originals shall remain the property of the Consultant.

Client's Responsibility

The Client will fully disclose all relevant information or data pertinent to the Project, which is required by the Consultant. The Consultant shall be entitled to rely upon the accuracy and completeness of such information and data furnished by or on behalf of the Client.

The Client will give prompt consideration to all requests or documents relating to the project submitted by the Consultant and whenever prompt action is necessary, inform the Consultant of his decisions in such reasonable time so as not to delay the Services of the Consultant. The Client shall arrange and make provision for the Consultant's entry and ready access to the project site as necessary to enable the Consultant to perform his services.

Tax

Any applicable taxes will be added to invoices.

Mr. Kelly Church
Director of Public Works
Township of North Huron
274 Josephine Street, P.O. Box 90
Wingham ON N0G 2W0

Dear Mr. Church:

**Re: Wingham Landfill Monitoring and Supplemental Services
2016 Budget Estimate
Project No.: LNE085790.2016**

This letter provides a budget estimate for the 2016 monitoring program for the Wingham Landfill. The work program for the East Wawanosh Landfill is provided under separate cover.

Monitoring and Reporting

Monitoring of the Wingham Landfill Site is to be completed in accordance with the site's Environmental Compliance Approval (ECA) number A160502, dated May 2, 2012. Full monitoring reports are to be submitted to the Ministry of the Environment and Climate Change (MOECC) every three years. The report covering 2015-2017 must be submitted by May 31, 2018. The MOECC's August 2015 letter, regarding the arsenic levels at OW38, requires additional investigation and reporting during spring 2016 (MOECC Directed Actions).

For the purposes of this estimate, the standard monitoring services include:

Spring 2016

- Spring hydrogeological and operational monitoring (including MOECC required VOC at OW33 and OW36);
- Laboratory results review to identify potential issues; and
- Preparation of a 2015 Monitoring Status Summary Letter.

Fall 2016

- Fall hydrogeological and operational monitoring;
- Laboratory results review to identify potential issues;
- End of year survey of waste volume in place (December 2016); and

- Letters to private well owners with 2016 sampling results for their well(s).

The 2015 Monitoring Status Summary Letter was identified in Burnside's 2015 work plan (letter dated January 8, 2015) as an effort that would be completed during 2016. Per the MOECC Directed Actions there are now additional requirements for the 2015 Monitoring Status Summary Letter. This letter must be provided to the MOECC by April 30, 2016. We do not anticipate spring 2016 sampling data will be available in time for inclusion in the letter to the MOECC.

Following the 2016 spring and fall sampling, Burnside will review the laboratory results and will bring any potential concerns to the Township's attention, along with recommendations for proposed actions. Normally, a summary letter is prepared at the end of the sampling year to track operations and monitoring issues and submitted to the Township. We have budgeted for this to occur during the first quarter of 2017, though it may be complete at the end of 2016. It is likely that this letter will also need to be submitted to the MOECC, in keeping with the MOECC letter of August 2015.

The number of spring and fall sampling locations is summarized below in Table 1 below. As part of the groundwater monitoring program, we normally collect samples from drinking water wells of neighbouring landowners. In all cases, Burnside collects samples in accordance with MOECC standards.

Table 1: Sampling Locations

	Number of Locations
Groundwater Samples (monitoring wells)	15
Groundwater Levels (monitoring wells)	7
Private Well Samples	6
Surface Water Samples	2
QA/QC Samples ¹	2
Landfill Gas Measurements ²	13
1.	Duplicate groundwater samples are collected from randomly selected wells for quality assurance/quality control (QA/QC) during each monitoring visit.
2.	Landfill gas locations include 8 gas probes, 3 monitoring wells and 2 buildings

Landfill Liability Assessment

Ontario municipalities are required to report annually on financial liabilities related to closure and post closure care for their operating and closed landfills. The Public Sector Accounting Board requires the assessment be updated annually and submitted with your municipal financial reporting. Burnside's most recent assessment was completed in May 2015 for the year ending December 31, 2014. As part of this 2016 work plan, Burnside will review and update the assessment to consider data collected through December 31, 2015. We plan to provide you with an email in this regard that you can pass along to the municipal auditors.

MOECC Directed Actions

The MOECC, in a letter dated August 21, 2015, required an investigation into elevated iron, arsenic and DOC levels in the shallow groundwater at OW38 (installed in 2012 between the landfill and Reid Road). Burnside submitted a work plan letter to the MOECC on September 29, 2015, following emails and discussions with the Township. Limited initial efforts commenced in 2015. The remainder is to be completed in early 2016, and is part of this budget estimate.

The work required includes:

- Investigation into reasonable use exceedance and the possible location of a former landfill north of Reid Road (including installation of up to two monitoring wells north of Reid Road);
- Decommissioning of unused monitoring wells on the landfill site¹; and
- Additional VOC sampling in the spring of 2016.

Burnside is to submit a report interpreting our investigation, and including our 2015 Monitoring Status Summary, to the MOECC by April 30, 2016.

Overall Work Program Budget

Table 2 below, provides a breakdown of the anticipated costs for completing the 2016 work program. Some of this work may extend into 2017, and is shown on the table as such. This work program includes the budget for the MOECC Directed Actions and 2016 reporting letters but does not include the Triennial Monitoring Report which was last completed in 2015. These differences make it difficult to compare the 2015 and 2016 work plan budgets on an overall basis. I would be pleased to provide comparison points for your consideration if you wish.

Table 2: Wingham Landfill Work Program Estimate

	2016	2017	Total

MOECC Directed Actions	24,350		24,350
Updated Landfill Liability Assessment	475		475
Total ³	\$ 48,300	\$ 1,500	\$ 49,800

Notes:

1. Estimate is based on spring and fall sampling locations indicated in Table 1.
2. Work might be completed during late 2016. Cost dependent upon MOECC comments about the 2015 Monitoring Status Letter.
3. Estimates exclude taxes.

¹ As part of their long term waste disposal alternatives review, the County of Huron installed 13 monitoring wells at the Wingham landfill. The County committed to decommissioning these wells when there were no longer required. The Township should initiate discussion with the County regarding cost recovery for the well decommissioning to be completed in this work program. Burnside would be happy to assist in this regard, though we have not included any budget allowance for such efforts.

The Consultant does not provide direction to the Contractor on construction methods, nor does the Consultant warrant the Contractor's work - this is the sole responsibility of the Contractor for which the Consultant will not take any liability. Prior to the initiation of construction, the Client and the Consultant will agree on a field review schedule. The Client acknowledges that where a reduced field review schedule is agreed, the Consultant will not be held liable for any work completed by the Contractor for which the Consultant has not been on site to witness conformity with the design.

Governing Law

The laws of the Province of Ontario will govern the validity of this agreement, its interpretation and performance, and remedies for contract breach or any other claims related to this agreement.

Assignment

Neither party shall assign responsibilities without the written consent of the other.

Termination

The Client or Consultant may terminate this Agreement at any time and no further expense will be incurred beyond the time of notice to terminate. In the event such termination becomes necessary, the party effecting termination shall so notify the other party in writing, and termination will become effective 14 calendar days after receipt of such notice.

Irrespective of which party shall effect termination or the cause therefore, the Client shall, within 30 calendar days of termination, remunerate the Consultant for services rendered and costs incurred, in accordance with the Consultant's prevailing fee schedule and expense reimbursement policy. Services shall include those rendered up to the time of termination, as well as those associated with termination itself, such as demobilizing, modifying schedules, reassigning personnel, and so on. Costs shall include those incurred up to the time of termination, as well as those associated with termination and post-termination activities.

Suspension

Upon 14-calendar day's written notice to the Consultant, the Client may suspend the Consultant's work. If payment of the Consultant's invoices is not maintained on a 30 calendar day current basis by the Client, the Consultant may by 14-calendar day's written notice to the Client suspend further work until payment is restored to a current basis. Suspension for any reason exceeding 45-calendar days shall, at the Consultant's option, make this Agreement subject to renegotiation or termination, as provided for elsewhere in this Agreement. Any suspension shall extend the time schedule for performance in a manner that is satisfactory to both the Client and the Consultant, and the Consultant shall be compensated for services performed and charges incurred prior to the suspension date, plus suspension charges.

Suspension charges may include, but shall not be limited to, services and costs associated with putting analyses and documents in order, rescheduling and reassigning personnel and/or equipment and issuing necessary or customary notices to appropriate government boards. Compensation to the Consultant shall be based upon the Consultant's prevailing fee schedule and expense reimbursement policy.

Ownership of Documents

The Client shall be entitled to a copy of all drawings, specifications, designs and documents prepared by the Consultant but shall not use them for any other project. The originals shall remain the property of the Consultant.

Client's Responsibility

The Client will fully disclose all relevant information or data pertinent to the Project, which is required by the Consultant. The Consultant shall be entitled to rely upon the accuracy and completeness of such information and data furnished by or on behalf of the Client.

The Client will give prompt consideration to all requests or documents relating to the project submitted by the Consultant and whenever prompt action is necessary, inform the Consultant of his decisions in such reasonable time so as not to delay the Services of the Consultant. The Client shall arrange and make provision for the Consultant's entry and ready access to the project site as necessary to enable the Consultant to perform his services.

Tax

Any applicable taxes will be added to invoices.

PREPARED BY: David Sparling
DATE: 07/04/2016
SUBJECT: Revisions to the Establishing and Regulating Bylaw For The Fire Department of North Huron
ATTACHMENTS: Proposed revised bylaw attached

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby revise bylaw 73-2009.

EXECUTIVE SUMMARY

The current bylaw was created in 2009, and should be updated.

DISCUSSION

Amendments are in red in the attached file.

General comments:

Added Fire Prevention Officer to defined terms

General editing

Updated terminology to reflect adoption of NFPA standards in Ontario

Updated organisational chart: added Chaplain, Fire Prevention Officer, Scribe, and increased maximum firefighters from 32 to 36

Firefighter maximum: we have personnel move from a residence in one station’s area to another, personnel who are taking leaves of absence for career or personal reasons, and generally a more mobile society. Increasing the department maximum will allow more flexibility to manage these life events. (this will make maximum total personnel 49, from the current 45)

FINANCIAL IMPACT

These changes are already projected for/accommodated in the 2016 budget.

FUTURE CONSIDERATIONS

The establishing and regulating bylaw will continue to be periodically reviewed to ensure it remains current.

RELATIONSHIP TO STRATEGIC PLAN

Goal 3. Ensure our community is healthy and safe.

Mission Statement

The ~~North Huron Fire Department~~ Fire Department of North Huron is committed to the enhancement of the quality of life through the protection and preservation of life and property ~~within the jurisdiction of the Township of North Huron~~ from the effects of fire or other emergencies.

~~Our mission will be accomplished through the delivery of fire prevention, public education and professional emergency response programs to all who work, live and play within our community. We will work to educate people in fire safety in order that they may protect themselves and their families.~~

~~We will strive to minimize any adverse effects on individuals, families and businesses as a result of these emergencies and work to safeguard the environment. Through this effort we will protect our lifestyle and the general economic welfare of the community.~~

Goals

1. Provide for the safety of the public and the firefighters.
2. Identify and review the fire service requirements of the municipality
3. Provide the administrative process consistent with the needs of the department.
4. Ensure that firefighting equipment and operating personnel are available within the municipality to provide adequate response to a citizen's call within a reasonable time.
5. Provide departmental training to an accepted standard which will ensure the continuous upgrading of all personnel in the latest techniques of fire prevention, firefighting and control of emergency situations and to cooperate with other departments of the corporation with respect to assistance and other programs.
6. Provide a maintenance program to ensure all fire protection apparatus, including allied equipment, is ready to respond to emergency calls.
7. Provide an effective fire prevention program to:
 - a. Ensure, through cooperation with the building department and inspection compliance with applicable municipal, provincial and federal fire prevention legislation, statutes codes and regulations.
 - b. Reduce and/or eliminate fire hazards.
8. Develop and maintain an effective public information system and education program with particular emphasis on school fire safety programs.
9. Ensure that in the event ~~e~~ of a major catastrophe ~~in the municipality~~, assistance to cope with the situation is available from outside departments and agencies.
10. Develop and maintain a good working relationship with all outside agencies related to the protection of life and property.

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby write a letter for the East Wawanosh 150th Committee to support their application for Huron Heritage Funding for the History Committee project.

EXECUTIVE SUMMARY

The History Committee of the East Wawanosh 150th Anniversary Planning Committee intends to submit an application for their history project to the Huron Heritage Fund on May 1st, 2016. The group will leverage money they already have and put in a request to the Huron Heritage Fund for no more than \$5,000.

DISCUSSION

The History Committee is currently gathering pictures and stories for the history project of the East Wawanosh 150th Anniversary. The information will be shared in either booklet or calendar form for sale to residents and event attendees. Obtaining funding from the Huron Heritage Fund will make the project possible.

FINANCIAL IMPACT

None.

FUTURE CONSIDERATIONS

By supporting the history project of the East Wawanosh 150th committee, the planning committee will be able to develop a product that can be used to raise further funds to be used for the event.

RELATIONSHIP TO STRATEGIC PLAN

Our community is attractive to new businesses and residents.

Outcome: Tourism is a driver in economic development.

TOWNSHIP OF NORTH HURON

REPORT

Item No.

REPORT TO: Reeve Vincent and Members of Council
PREPARED BY: Connie Goodall
DATE: 13/04/2016
SUBJECT: Wingham Farmers' Market 2016
ATTACHMENTS: Land Use Agreement for the Purpose of a Wingham Farmers' Market,
~~Wingham Farmers' Market Association Rules and Regulations 2016 – Market~~
Season

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby direct staff to prepare a Land Use Agreement for the Purpose of a Wingham Farmers' Market as an authorizing by-law. Further, that the Council of the Township of North Huron consider the Farmers' Market Group a Community Group and allow them to rent Cruikshank Park for the duration of the 2016 season at the community rate.

EXECUTIVE SUMMARY

In 2015 the Wingham Farmers' Market kicked off its inaugural year to fulfill the following:

- Make fresh, locally grown produce and products available to North Huron and Area shoppers
- Support the local agricultural community by providing a venue to sell their product and the opportunity to expand their consumer base
- Encourage shoppers to the Wingham downtown core by providing another valuable and desirable reason to shop in Wingham (the project was supported by the Wingham BIA)

The planning committee consisting of local producers, Wingham BIA representation, Wingham Horticultural representation and working with Joan Brady of Sustainable Futures completed an environmental scan and surveyed local producers. The committee went on to develop the Rules and Regulations for the Wingham Farmers' Market based on Farmers' Market Ontario Guidelines of which they are a member.

DISCUSSION

The Wingham Farmers' Market was well received by the local community in 2015. For the 2016 season, the committee is hoping to secure a more visible location to grow the number of vendors and visitors to the downtown.

According to Farmers' Market Ontario, an average shopper spends \$30/week at a farmers' market. FMO studies also show that for every dollar that is spent at the FM an additional \$3 is spent at neighboring businesses.

In the North Huron Economic Development Strategic Plan, agriculture was identified as a key industry in North Huron. Under the goal of Business Attraction and Retention – creating a culture that supports local first was identified as a strategic direction with an action item of supporting

opportunities for local producers. Farmers' Market was identified as a resource to achieve this goal.

FINANCIAL IMPACT

The fee waiving policy allows Council to contribute to an event or activity by reducing the rental rate and charging the community rate. This is Council's contribution to the community group or activity. The rental rate for the park is \$43.05 per ½ day, and the community rate is \$30.14 per ½ day. This group is not specifically listed as a group eligible for the community rate, however the Wingham Farmer's Market is a not for profit group and Council may choose to include them under that definition. The policy states that no fees are waived in North Huron, and only Council has authority to deviate from policy. In order to waive the fees completely a motion of Council would be required.

FUTURE CONSIDERATIONS

Discuss future impacts of project or activity, if any

RELATIONSHIP TO STRATEGIC PLAN

Our community is attractive to new businesses and residents.

Outcome: Our downtowns are attractive retail and commercial destinations

RELATIONSHIP TO ECONOMIC DEVELOPMENT STRATEGIC PLAN

Strategic Direction - Create a culture that supports local first - Support opportunities for local producers

2016 Market Season

Wingham Farmers' Market Association Rules & Regulations

PURPOSE

1. The purpose of this Vendor's Handbook is to describe the organization and administration of the Wingham Farmers' Market and to detail the rules and regulations to be followed by the Steering Committee, vendors and staff of the market. The Steering Committee shall deal with any issue not covered in this handbook.

ORGANIZATION

2. **Wingham Farmers' Market Association (WFM).** The name of the organization is the Wingham Farmers' Market Association. The Vision of the Wingham Farmers' Market Association is to develop a market that is homegrown, vibrant and viable, one which will help build a healthier, well-connected and neighborly community. The mission of the Wingham Farmers' Market Association is to maintain a sustainable and viable Farmers' Market for the purpose of marketing local farm, agricultural and craft products and to improve production of, stimulate interest in and increase consumption of local products. The Wingham Farmers' Market is therefore open to local and bona fide producer-vendors that meet the vendor criteria as outlined in this document and/or that have been approved by the WFM Steering Committee. All vendors must be members of the Wingham Farmers' Market Association.
3. **Governance.** For the 2016 season, the Wingham Farmers' Market Association is governed by a Steering Committee led by community members, Wingham BIA representatives and market vendors. Steering Committee meetings will be held regularly in Wingham on a day/place to be determined by current committee members. Governance may shift to an elected Board of Directors once the market is fully established.
4. **Management.** The Wingham Farmers' Market is managed and operated by Steering Committee members and market vendors.

MARKET LOCATION & SEASON

Location. The 2016 Wingham Farmers' Market is located in Cruickshank Park on Josephine Street in Wingham, ON (See Appendix A.)

5. **Dates & Hours of Operation.** The 2016 season consists of 18 market days:
 - a. Every Wednesday from 2:30 to 6:00 p.m., June 1 to September 28 2016

ELIGIBILITY FOR MEMBERSHIP

6. **Eligibility.** The vendor is defined as the applicant or the applicant's spouse, sibling, child, parent, domestic partner or employee who assists substantially in the cultivation of the crops or in the production of the agricultural, baking or craft product. The sale of items grown or produced by anyone other than the vendor, as defined above, is only permitted by special provision. These items shall not exceed 25% of a vendor's weekly display and must be grown or produced within a 75 km radius of the Town of Wingham. Such items must be approved by the Steering Committee in advance of selling at the market and cannot be in competition with items for sale by other market vendors. These items will be identified as to their originating producer.

7. **Residency.** Applicants must be residents of Ontario and grow or produce the goods within a 75 km radius of the Town of Wingham. Applicants outside of the 75 km radius may be approved at the discretion of the Steering Committee.
8. **Vendor Status.** There are two types of market vendors:
 - a. **Daily Vendors** attend the market on a week-by-week basis and pay the regular stall fee each day they attend.
 - b. **Seasonal Vendors** pay for the entire market season up front and receive a substantially discounted stall fee.

PRODUCT CATEGORIES

9. **Agriculture.** Products include, but are not limited to: fruit and vegetables, plants, shrubs, trees, flowers, honey, maple syrup, preserves, sauce, vinegar, meat, fish, poultry (quota) and eggs (graded), soap, dried soup and other mixes, soils (black muck), manure, firewood, fleece, wool, fence posts, animal feed, grains, etc.
10. **Baking.** Products include, but are not limited to: breads, rolls, buns, muffins, cookies, fruit pies, cakes, pastries, meat pies, etc.
11. **Ready to Eat Products.** Vendors may offer ready to eat foods if they utilize local foods from other WFM members or other local producers. Anyone offering ready to eat foods for sale at the farmers' market must maintain proper standards for preparation, storage and service as outlined by Ministry of Health guidelines. Vendor must provide own hand wash facilities and refuse containers.
12. **Arts and Crafts.** Arts and Crafts must be hand-made by the vendor using his/her own skill, artistry and training to produce a new, unique and original product.

APPLICATION AND SELECTION PROCESS

13. **Vendor Agreement.** All applicants for membership must complete a "Vendor Agreement" form. This agreement is made annually between the Wingham Farmers' Market Association and the producer/vendor, who agree to enter into a contract for their mutual benefit and to set out the terms and conditions of their agreement, as detailed in this handbook. The purpose of the Vendor Agreement procedure is to maintain a high quality, producer-based market; to provide a variety of products; to ensure fairness to all vendors and to ensure vendors abide by the rules of the market. The agreement also lists all the products approved by the Steering Committee for sale at the market.
14. **Review & Approval.** The Steering Committee will review the completed Vendor Agreements and recommend acceptance or rejection of each Vendor Agreement and each product to be offered for sale, based on a majority vote. The Wingham Farmers' Market Association reserves the right to refuse the acceptance of an applicant or product that is not in keeping with the rules, regulations or standards of the Wingham Farmers' Market Association. Applicants may ask the Steering Committee to reconsider decisions made on their admission or products.
15. **New Products.** If, after approval of original product lists, vendors wish to sell items which fall into a different product category or which represent a major departure from the product(s) originally juried, the items must be juried and approved before they can be offered for sale. The original application will be amended as required.

BOOTH/STALL ALLOCATION

16. **Stall Fees.** Stall fees are determined annually by the Steering Committee (see #21). A stall is approximately 10ft x 10ft. A stall will be available each week for a non-profit community group free of charge.
17. **Space Allocation & Location.** Stall spaces are allocated in the following priority:
- Returning full season vendors;
 - Full season vendors; those who have seasonal fees paid receive first priority.
 - Daily vendors
18. **Sharing.** Two vendors may share a stall provided that they meet the following criteria:
- Both must hold individual memberships
 - Products of both must be displayed at all times
 - Their products are deemed compatible
 - Both vendors must attend the market
19. **Sub-letting.** Vendors may not sell, sub-let or rent stall space to other vendors unless approved by the WFM Steering Committee.

FEES

20. **Membership Fee.** The annual non-refundable membership fee is \$20.
21. **Stall Fees.** Fees are based on vendor status and size of the stall.
- Daily.** Payable each day of the market on arrival.
 - Seasonal.** Full season fees are discounted from daily fees and payable in advance.

Vendor Type	1 st Stall (10ft x 10ft)	2 nd Stall (10ft x 10ft) if interested
Daily – due each week	\$15 each week	\$12 each week
Seasonal – due up front	\$10 x 18 weeks = \$180	\$8 x 18 weeks = \$144

22. **Refund Policy.** Membership and daily stall fees are non-refundable. Season fees may be refundable, for valid reasons, on approval of the Steering Committee. Refunds will be prorated according to the market days remaining. A \$25 administration fee is applicable.

VENDOR RESPONSIBILITIES

23. **Compliance.** Vendors must comply with the following; failure to do so may be grounds for termination of the Vendor Agreement and Membership:
- The Wingham Farmers' Market Association Rules and Regulations as outlined herewith.
 - Municipal, Provincial and Federal Regulations regarding labeling, measures, safe food handling, health and safety, liability etc. for all products offered for sale at the Market. Compliance is the responsibility of the individual vendor and not the Wingham Farmers' Market Association. The Steering Committee reserves the right to appoint members to visit a farm or workshop, etc. to verify compliance.

24. **Payment of Fees.** All applicable fees must be paid on Market Day prior to stall setup.
25. **Booth Sitters.** Vendors and/or their qualified and knowledgeable staff are expected to attend the market in person to sell their own products. Occasional use of booth sitters is permitted and vendors are encouraged to arrange a sitter rather than not opening the stall for the day. Vendor to notify the acting market manager by cell phone or in person (Notification on market day is acceptable).
26. **Punctuality.** Late arrivals and early departures disrupt the market and can be a safety issue. Vendors who arrive late or leave early will be warned by the Acting market manager and, if late or depart early six (6) times, risk termination of their Vendor Agreement and vendor status.
 - a. Late arrivals. Vendors must arrive at the market in time to unload, move products into the stall, park vehicles, setup their stall and open for business at the designated open time (see article 6 for times). If a Seasonal Vendor has not arrived at least 15 minutes before opening time, the Acting market manager has the option to rent the stall to a Daily Vendor for the day. Season Vendors are encouraged to notify the Acting market manager if they will be late or absent.
 - b. Early departures. Vendors must keep their stalls open for the entire market day and not begin to tear down before the designated closing time. All vendors must leave the market no later than 1 hour after the market closes.
27. **Products.** Vendors must bring enough product to last the entire day. Exceptions may be made for reasons of product supply beyond control of the vendor, ie. produce in season.
28. **Displays.** Vendors are responsible for providing all display materials (displays, tables, chairs, etc.) and setting up and tearing down any displays. The market is not able to provide any materials. Stalls should have an attractive and professional appearance, enhanced by good presentation and cleanliness. The name of the individual and/or business should be prominently displayed at the booth. Vendors are encouraged to seek the advice and assistance of the Steering Committee or Acting Market Manager. The Acting Market Manager may ask that unsightly or unsafe materials be removed.
29. **Parking.** Vendors are required to park in the designated areas after unloading their products.
30. **Conducting Business.** Vendors must remain in their own stalls when selling. Sales must be conducted in an orderly and business-like way and no shouting or other objectionable means of soliciting trade are permitted.
31. **Pricing.** All items offered for sale must have prices prominently and clearly displayed. Vendors must not practice distress pricing by undercutting other vendors or dumping products at bargain or sale prices. Volume buying sales incentives such as "\$2 each – 3 for \$5" are permitted.
32. **Farm Products Grades and Sales Act.** Produce should be sold by units or legal containers such as bushel, 4-litre baskets, quart, etc. If your product is sold by weight, the scale has to be government inspected with a valid sticker displayed. All produce should be correctly labeled and priced.
33. **Food Safety.** Every person handling food products must maintain a very high standard of personal hygiene and cleanliness. In fact, all vendors and staff must practice these standards to prevent the transfer of pathogens between vendors/staff and therefore to foods. Please adhere to the following guidelines:

- a. All Vendors must register with the Huron County Health Unit as a Farmers' Market Vendor and follow mandated regulations and guidelines
- b. The Huron County Health Unit will visit the market at least once during the season and each vendor is responsible for following the Health Unit regulations and suggestions. If the vendor is found in fault of the Health Unit regulations, the vendor is responsible for correcting the problem and paying any fines issued.
- c. All foods offered for sale must be protected from contamination.
- d. Baking and processed foods must be pre-packaged at point of production or contained in a display case to protect from airborne and human contamination.
- e. All persons handling food must wear clean clothing, wash hands often, be free from infectious disease, NOT smoke, and avoid touching nose, mouth, hair and skin.
- f. All vendors MUST wash hands thoroughly with warm water and soap after visiting the washroom.
- g. Containers and wrappers must be single-use only.
- h. Do not allow any unauthorized persons access to where food is being prepared.
- i. Racks, shelves or tables must be provided for food display and all food must be at least 15 cm (6 in) off the ground/floor.
- j. All canned products must be packaged in new jars and sealed with vacuum lids.
- k. Personal effects should not be stored anywhere near food products.

Sampling and Condiments.

- a. Do not allow customers to get hands anywhere near samples to be eaten by other customers; prepare individual samples that cannot be handled by more than one person; provide toothpicks or small paper containers or pass out each sample.
 - b. Provides tongs, forks or spoons for each type of condiment being offered; no customer hands in the bowl.
 - c. Clean up the serving area often, being especially careful to pick up food scraps that fall onto the ground or floor.
 - d. Watch children very closely.
34. **Refuse.** Stalls must be kept free from refuse during the market day. At the end of the day, all refuse for removal must be placed in the bins provided except cardboard boxes, which must be broken down for recycling and placed beside garbage bins, not in them. This is especially critical for any produce and food vendors because of the risk of vermin. Scraps of any such material must be scrupulously cleaned up from the ground or floor. Only cans and bottles may be put in the blue recycling containers.
35. **In-Booth Storage.** Storage containers and equipment shall be confined to one's market space and kept out of sight.
36. **Alcohol.** No alcoholic beverages may be consumed, served or sampled on the market site. Sales are limited to Ontario/locally produced VQA products as outlined in Ontario Alcohol and Gaming Commission guidelines and approved by the WFM Steering Committee.
37. **Smoking.** No smoking is permitted on the market site.
38. **Live Animals.** Live animals may not be sold at the market. Pets are permitted in the market if on a leash and under control by the owner, guide dogs accepted.

39. **Insurance.** It is good business practice to ensure you have adequate liability insurance. This insurance can protect you in the event a customer has an adverse reaction to your product (product liability insurance) as well as for other events that may happen at your farmers' market stall such as a customer injury. Individual vendors are not covered under the Wingham Farmers' Market Insurance Policy. You may be able to get an additional rider placed on your home or farm insurance. While the Wingham Farmers' Market Association does carry basic Public Liability and Property Damage Insurance, any additional insurance coverage is the responsibility of the individual vendor. The Wingham Farmers' Market Association bears no responsibility for any vendor property at the market.

ADDITIONAL MARKET RESPONSIBILITIES

40. **Acting Market Manager.** An Acting Market Manager will be present each day of the Wingham Farmers' Market. The Acting Market Manager will be appointed by the Steering Committee.

41. **Rules and Regulations.** The Acting Market Manager supervises the operation of the market. He/she will apply the rules and regulations of the market and report any violations to the Steering Committee as necessary. He/She may ask the Steering Committee to suspend a vendor for one or more days for serious violation of the rules.

42. **Collection of Fees.** The Acting Market Manager shall collect all fees when they are due and deliver to the Treasurer to deposit promptly. Vendors may not set up until appropriate fees are paid. A \$35 charge will be levied for NSF cheques.

43. **Space Allocation.** The Acting Market Manager shall assign all stall space taking into consideration:

- a. Priorities established in article 17 above.
- b. Vendor attendance record including late arrivals and early departures.
- c. Stall availability.
- d. Product category and its compatibility with products of nearby vendors.
- e. Special requirements (late arrivals, early departures, proximity to hydro).

44. **Removal of Persons.** The Acting Market Manager has the authority, with cause, to request any vendor or other persons to leave the market operating area and, if necessary, to call the police for assistance.

45. **Community Space.** A community stall space is available to charity and non-profit organizations, at no cost, for fund-raising, promotional and educational purposes by applying to the Steering Committee at least one week in advance. Any products to be offered for sale must be approved by Steering Committee and must not be in competition with the market vendors. All Wingham Farmers' Market Rules and Regulations apply. The person applying will be held responsible for ensuring that the stall space is staffed and left in the same condition as upon arrival. The market is not responsible for providing tables, chairs or display materials. Community groups using the stall must be associate members of the Market and pay a reduced membership fee of \$10.

46. **Buskers.** Buskers are welcome at the Wingham Farmers' Market and must be preapproved by the Market Steering Committee.

47. **Complaint.** A formal complaint should first be submitted in writing to the Steering Committee with a request to address the issue. Verbal complaints must be recorded and signed and dated by both complainant and receiving Steering Committee. The Steering Committee may request additional information from complainants (i.e. in a pricing issue – Ontario average prices, etc.) All complaints will be dealt with by a minimum of 2 Steering Committee members accompanied by the Acting Market Manager when possible and appropriate.
48. **Negotiation.** Inform the individual(s) involved in the complaint of the complaint and the behavior causing concern. This may be simply a conversation between the members designated by the Steering Committee and the individual(s) causing concern once the complaint has been submitted in writing, or it may require a formal meeting with all parties involved, depending on the nature of the complaint. Allow the individual(s) to explain or elaborate on their perspective. Determine a timeline for correction of the behavior or withdrawal of the complaint by the party involved. Guidelines and specific directions will be documented with copies issued to all parties involved in the resolution, including the Steering Committee, and where deemed necessary, to the General Membership. **The Steering Committee retains the right as outlined in the rules and regulations to ask anyone to leave the market site, at any time, depending on the seriousness of the behavior causing concern, i.e. Where such behavior may be detrimental to the safety of visitors attending the market. (see #45 above)
49. **Final Authority.** In the event that the complaint is not withdrawn and/or the behaviour is not corrected to the satisfaction of the party issuing the complaint, the Steering Committee will make a decision based on the their judgment of what will be best for continued operation of the Wingham Farmers’ Market. The Steering Committee has the right to revoke the application of the individual(s) causing concern and exclude the individual(s) from attendance at the Wingham Farmer’ Market for the remainder of the season.

Appendix A. Wingham Farmers' Market Location(s) for 2016 in Cruickshank Park

Canopies will be clustered together either in boxes A+B, A+B+C, just C or just D or a combination thereof.

**LAND USE AGREEMENT
FOR THE PURPOSE OF A WINGHAM FARMERS' MARKET**

BETWEEN:
THE CORPORATION OF THE TOWNSHIP OF NORTH HURON
(the "Township")
AND
THE WINGHAM FARMERS' MARKET COMMITTEE
(the "Farmers' Market")

WHEREAS the Council of the Township of North Huron supported the Wingham Farmers' Market for the 2015 season which was held at the lot located at 160 Farley Lane, a parking lot owned by the Township of North Huron. Permission to use this space was granted for one season so that both parties could evaluate the success and terms of use agreement for the 2015 season. **AND WHEREAS** The Wingham Farmers Market has requested moving the market to Cruickshank Park located at 360 Josephine Street for the 2016 season;

AND WHEREAS The Township of North Huron owns and operates Cruickshank Park
AND WHEREAS the parties hereto wish to establish terms for the Farmers' Market to use Cruickshank Park for the purposes of a Farmers' Market:

NOW THEREFORE for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by both parties, the parties hereto agree as follows:

Term

The Farmers' Market will have permission to use the site on Wednesday afternoons from 2:30pm to 6:00pm for the months of June to September. This agreement is for the 2016 season. Through a motion of Council, this agreement may be extended to future years, until terminated by either party under the terms of the Termination Clause, or by mutual agreement. The agreement may be updated to reflect additional terms through mutual agreement by both parties. This may be in the form of an amendment to this current agreement, or by way of a new agreement.

Usage

The site is being used for the purposes of a producer based community driven Farmers' Market. The intent of this program and retail service is outlined in "Introducing Wingham Farmers' Market 2015" document and the "Wingham Farmers' Market Association Rules and Regulations – 2016 Market Season" attached to this agreement as Schedule B. Any other use of this property under this agreement is prohibited.

Rent (draft - still to be confirmed by Council)

The Farmers' Market will be charged ...the use of Cruickshank Park at 360 Josephine Street for the Farmers' Market. The Farmers' Market is responsible for any operating expenses associated with the use of this space for the Farmers' Market.

Site Condition

The Farmers' Market is responsible for any damage to the property as a result of the Farmers' Market and will reimburse the Township for any repair costs. At the start of each season both parties will meet to review the condition of the site. The site must be in the same condition at the end of the Farmers' Market season.

Any permanent changes to the site, or any temporary changes that will remain in place at times when the Farmers' Market is not in operation, must be approved in writing, in advance, by the Township.

The Farmers' Market is responsible for site conditions during the Farmers' Market. The Township will inspect the site prior to 2:30pm on the day of the Farmers' Market, and by noon on the day following the Market. Any issues will be brought to the attention of the Farmers' Market for immediate corrective action. Any corrective action that must be taken on by the Township as a result of inaction by the Farmers' Market to correct issues, will be expensed to the Farmers' Market. Payment to be received prior to the start of the next Farmers' Market.

The space provided allows for a maximum of 10 vendor sites inside the park. This is inclusive of the Community Site for use by local Community Groups, donated by the Farmers' Market. The site setup will comply with the following:

- Farmers' Market will be set up as per Schedule A attached to this agreement.
- Canopies set up for each vendor will be roof only, no sides.
- No set up will penetrate the ground for any purposes.
- The Farmers' Market will be aware of vendor and shopper safety and immediately correct any condition that may be unsafe and maximize participant safety.
- The Township of North Huron Chief Building Official will approve any site set up or changes, and may require further conditions not outlined in this agreement. These conditions will be communicated to the Farmers' Market in writing by the Chief Building Official.

- No vehicles are permitted to drive on Cruickshank Park as part of set up, take down, or during the market.
- The Farmers' Market will make arrangements for available washrooms for vendors and patrons of the market.

Community Vendor Space

One space at the Farmers' Market is being provided for Community Usage. This space is provided to that user at no fee.

Insurance

The Farmers' Market will be registered with the Farmers' Market Ontario and maintain in place an insurance policy through this association. The policy will have a minimum coverage of \$5 Million for Commercial General Liability. The Farmers' Market will provide proof of this policy to the Township prior to each Farmers' Market season, naming the Township of North Huron as an additional insured on the policy.

It is the responsibility of the Farmers' Market to ensure that the vendors have adequate insurance for their operations.

Indemnity

The Farmers' Market shall indemnify and save harmless the Township from and against all fines, suits, claims, demands and actions of any kind or nature to which the Township shall or may become liable for or suffer by reason of any breach, violation or non-performance of the Farmers' Market of any term or provision of this Agreement or by reason of any loss, damage, or injury occasioned to or suffered by any person or persons or any property by reason of any action, neglect, negligence, wilful misconduct or default on the part of the Farmers' Market, its employees or volunteers save and except any fines, suits, claims, demands and actions of any kind or nature resulting from any action, neglect, negligence, wilful misconduct or default on the part of the Township, its employees or Members of Council.

Signage

For each Farmers' Market, the following signage will be erected:

- No smoking within 20 meters of the Farmers' Market
- In case of emergency call 911. The address is 360 Josephine Street, Wingham.
- A sign indicating the responsible person for the Farmers' Market and how they can be contacted.

Huron County Health Unit

The Farmers' Market will be responsible for compliance with all the regulations of the Huron County Health Unit. The Farmers' Market is responsible for contacting the Health Unit prior to the start of each season.

The Farmers' Market is responsible for complying with the Health Unit requirement for washrooms, wash stations, and any signage required by them.

Set Up and Take Down of the Market

The Township of North Huron will deliver to the site each week garbage & recycle bins. The garbage and recycle bins will be emptied and retrieved by the Township on the Thursday following the Farmers' Market. All vendor garbage is to be removed off site. The bins provided by the Township are for public waste.

Point of Contact

The point of contact for the Farmers' Market will be the Chair of the Farmers' Market Committee. At the start of each season, the name, address, email, and phone number of this individual will be made available to the Township.

The point of contact for the Township of North Huron will be the Economic Development Officer. She can be reached at 519-357-1096. Email to cgoodall@northhuron.ca. Mail can be sent to: Township of North Huron, PO Box 90., Wingham, ON. N0G 2W0.

Lawful Use

The Farmers' Market will observe and fulfill the lawful provisions and requirements of all statutes, by-laws, rules and regulations, municipal, provincial or federal, relating to the use of the land.

Utilities

The site has no water provided. If this is required, the Farmers' Market will make their own arrangements. Any water supply must meet the standards of the Huron County Health Unit.

The park has some hydro available. The Township and the Farmers' Market will review the available power sources at the park and confirm usage and set up. Any hydro supply must meet ESA standards. The supply is 110 volt, there is no 220 volt at the park.

The usage of the hydro power is included in the rental fee, however the Township will monitor usage and should it become excessive the Township and the Farmers' Market will re-evaluate the usage and agree to acceptable terms. It is not anticipated that the increased usage costs will exceed the rent recovered for use of the park.

The supply of these utilities must be done in a way that is safe for all users of this location and any adjacent property to this site. Any trip hazards must be minimized and clearly identified. .

Termination

Either party has the option to terminate this agreement with written notice, received no later than March 1 of that year, prior to the Farmers' Market season.

Should the Farmers' Market group not comply with the terms of this agreement, they will receive written notice of non-compliance. In the notice to the Farmers' Market, a time line for correcting the compliance issue will be identified. Should the Farmers' Market not comply within that time frame, it is cause termination of this agreement with no further notice.

Should the Township deem that the non-compliance is a safety or health risk to anyone and it cannot immediately be corrected, it is cause for immediate shut down of the Farmers' Market, until such time that the Farmers' Market can take corrective action to the satisfaction of the Township.

Non Transferable

This land use agreement is non-transferable without the written consent of the Township.

TOWNSHIP OF NORTH HURON

REPORT

Item No.

REPORT TO: Reeve Vincent and Members of Council
PREPARED BY: Sharon Chambers
DATE: 15/04/2016
SUBJECT: Morris Turnberry – North Huron Shared Services Project
ATTACHMENTS: Draft Agreement
Shared Services Steering Committee Meeting Minutes – April 13, 2016

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby approves the Draft Shared Services Agreement with the Municipality of Morris Turnberry;
AND FURTHER THAT the Clerk is instructed to prepare a by-law to ratify the agreement at the May 2nd Council meeting.

EXECUTIVE SUMMARY

The Township of North Huron and the Municipality of Morris Turnberry are now moving into the Implementation Phase of the Shared Services Project. The first meeting of the Implementation Team was held on April 7th to discuss project goals and first steps. Implementation Team Subcommittees are have been asked to meet to discuss the physical and technical requirements for implementation and report back.

Although the Shared Services Project is not ready to be fully implemented, it is advisable to have the Shared Services Agreement in place to authorize staff to work back and forth on implementation activities.

The CAOs met with Joan Krantz of Krantz Law to review a draft agreement. The draft agreement was approved by the Shared Services Steering Committee on April 13th.

DISCUSSION

A copy of the Draft Agreement is attached for Council's consideration.

FINANCIAL IMPACT

Project costs shall be shared on a 45%/55% basis by Morris Turnberry and North Huron respectively.

FUTURE CONSIDERATIONS

The Agreement term runs from May 1st, 2016 to June 30th, 2018. The Councils shall begin a review of the Agreement and the project commencing January 1st, 2018. The Agreement may be amended from time to time, with an amending by-law passed by each Council. The Shared Services Steering Committee will continue to meet throughout the project term to monitor progress and explore opportunities for further collaboration and sharing.

RELATIONSHIP TO STRATEGIC PLAN

Goal #4 – Our administration is fiscally responsible and strives for operational excellence.

**Two (2) Year
Pilot Project
Joint Servicing
Agreement**

DRAFT

THIS AGREEMENT dated as of the _____ day of _____, 2016

BETWEEN:

**THE CORPORATION OF THE MUNICIPALITY
OF MORRIS-TURNBERRY**
(hereinafter referred to as “**Morris-Turnberry**”)

– and –

THE CORPORATION OF THE TOWNSHIP OF NORTH HURON
(hereinafter referred to as “**North Huron**”)

WHEREAS the Councils of Morris-Turnberry and North Huron (collectively, the “**Municipalities**”) are desirous to enter into a two (2) year Pilot Project, for the purpose of sharing services, more specifically Public Works, Building, Public Utilities, Drainage and Administration;

AND WHEREAS the Councils of Morris-Turnberry and North Huron have approved a Concept Report, dated December 17th, 2015, and a Cost Analysis Report dated January 29th, 2016;

AND WHEREAS this Agreement is consistent with the *Municipal Act*, S.O. 2001, c.25, Section 8 (1) in reference to the Scope of Powers and Section 11 (3) in reference to matters within spheres of jurisdiction including Highways, Public Utilities and Drainage;

AND WHEREAS Section 3. (3) of the *Building Code Act*, 1992, S.O. 1992, c. 23, as amended, allows for Joint Enforcement: “The councils of two or more municipalities may enter into an agreement,

- (a) providing for the joint enforcement of this Act within their respective municipalities;
- (b) providing for the sharing of costs incurred in the enforcement of this Act within their respective municipalities; and
- (c) providing for the appointment of a chief building official and inspectors.”

AND WHEREAS this Agreement is consistent with the *Municipal Act*, S.O. 2001, c.25, as amended, Section 20 (1) Joint Undertakings by agreement: “A municipality may enter into an agreement with one or more municipalities or local bodies,.... for their joint benefit, any matter which all of them have the power to provide within their own boundaries”;

AND WHEREAS the parties hereto wish to set out their respective rights and obligations regarding the provision of municipal services during the Pilot Project.

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the sum of \$2.00 and the mutual covenants and agreements contained herein, the sufficiency of which is hereby acknowledged by each of Morris-Turnberry and North Huron, the parties hereto agree as follows:

1. GENERAL TERMS

1. **That** Morris-Turnberry and North Huron hereby enter into this Agreement for the provision of joint services including but not limited to:

- 1. Public Works
- 2. Building
- 3. Public Utilities
- 4. Drainage
- 5. Administration

all of which are hereinafter referred to as the “Joint Services”.

2. **That** all assets of each municipality be retained and maintained as assets of that municipality.
3. **That** each municipality shall be responsible for its own insurance requirements, for property, liability and human resources, including Workers Safety Insurance Board coverage.
4. **That** a joint Steering Committee be hereby established and be comprised of:
 1. Morris-Turnberry: Mayor, Deputy Mayor, 1 Councillor and the Administrator Clerk-Treasurer
 2. North Huron: Reeve, Deputy Reeve, 1 Councillor and the CAO.

The Steering Committee shall meet regularly as set out in the Steering Committee Terms of Reference, which are attached to this Agreement as Schedule 'A', during the project, and will review operations, and report to the Morris-Turnberry and North Huron Councils.

2. TERM OF THE AGREEMENT

1. **That** the terms of this Agreement shall be from May 1, 2016, to June 30, 2018, at which time the Agreement shall be reviewed by Morris-Turnberry and North Huron to determine whether to continue with the Agreement or not. This Agreement may be renewed thereafter by resolution of the Councils of Morris-Turnberry and North Huron.
2. **That** the Councils of the Morris-Turnberry and North Huron shall review the Agreement and the project, commencing January 1, 2018.
3. **That** the terms of the Agreement may be amended from time to time by mutual consent of the Councils of Morris-Turnberry and North Huron evidenced by a by-law of each municipality and a written amending agreement between the Municipalities.

3. FINANCIAL

1. **That** the transition costs and the operational costs for the Joint Services, being all labour costs, including but not limited to wages, salaries, benefits, pensions and expenses, and such non-labour costs as agreed upon by Morris-Turnberry and North Huron shall be shared as follows for the first year of this Agreement:
 1. North Huron agrees to pay **55%** of the costs
 2. Morris-Turnberry agrees to pay **45%** of the costs.

Time spent shall be tracked for the initial term of this Agreement, and the allocation of costs to Morris-Turnberry and to North Huron may be adjusted by agreement of the Steering Committee after the first year of this Agreement.

2. **That** the costs for the Joint Services shall be paid by Morris-Turnberry, and Morris-Turnberry shall subsequently invoice North Huron for its applicable share of costs.
3. **That** Morris-Turnberry shall submit an invoice to North Huron on a monthly basis.
4. **That** each municipality shall be responsible for its own maintenance and capital costs for the operation of the municipality.

4. EMPLOYEES

1. **That** the employees of North Huron and Morris-Turnberry shall remain as employees of their respective municipality for the duration of this Agreement.
2. **That** the current employees, and any new employees, shall work as required in the Municipality of Morris-Turnberry and/or the Township of North Huron, and daily operations will be organized and prioritized by each Department Head.
3. **That** any new employees, employed after the date of this Agreement, shall be considered to be a joint employee of Morris-Turnberry and of North Huron but shall be deemed an employee of one of Morris-Turnberry or North Huron, by agreement of the Municipalities.

4. **That** those employees for the Joint Services who are required by legislation to be appointed by by-law shall be appointed by separate by-law of each municipality.

5. **ORGANIZATIONAL FLOW CHARTS**

1. **That** the Organizational Flow Charts for the various departments, are set out in Schedule 'B' to this Agreement, being:

1. North Huron Organizational Flow Chart Phase 1
2. Morris-Turnberry Organizational Chart Phase 1
3. Transitional Public Works Organizational Chart for May 1, 2016, to December 31, 2017;
4. Morris-Turnberry and North Huron Proposed Public Works Organizational Chart for 2018;
5. Morris-Turnberry and North Huron Shared Services Organizational Chart for 2018.

2. **That** all work for the Joint Services shall be performed and completed in accordance with the Organizational Flow Charts attached as Schedule A to this Agreement provided that, in recognition of the flexible nature of this Joint Services project, these Organizational Flow Charts may be amended or added to by recommendation of the Steering Committee to the Councils of both Municipalities and subsequent ratification by the Councils of both Municipalities.

6. **DISPUTES**

1. All disputes relating to this agreement shall be resolved as follows:

1. The Steering Committee shall attempt to resolve any issues.
2. In the event that the issues cannot be resolved by the Steering Committee, the Councils of the Municipalities shall appoint an agreed-upon Mediator.
2. In the event that a dispute cannot be resolved by paragraph 1. or 2. above, the dispute shall be resolved by arbitration in accordance with the following procedure:

1. The party wishing to commence the arbitration process shall give written notice to the other party advising that it is exercising its right to submit the issue in dispute to arbitration by a single arbitrator (the "Arbitrator") and providing the names of three (3) potential Arbitrators who are acceptable to it;

2. Within ten (10) days of receipt by the other party of the notice referenced in subparagraph 1, the parties shall agree upon an Arbitrator, either one named in such notice or otherwise, failing which either party may seek the appointment of an Arbitrator by a judge of the Superior Court of Justice (Ontario);

3. The arbitration shall be conducted in accordance with the provisions of the *Arbitration Act*, 1991, S.O. 1991, c.17, as amended or replaced; and

4. The Arbitrator's award shall be in writing, shall state the reasons for the award, shall be binding on the parties, and shall not be the subject of any further court proceeding except in connection with the enforcement of any such decision or award by a court of competent jurisdiction. The costs of arbitration, including legal fees and disbursements of the parties, shall be allocated by the Arbitrator in the manner that the Arbitrator, in his or her discretion, considers appropriate. This subparagraph does not affect the rights of the parties to seek injunctive relief when appropriate to enforce their respective rights hereunder.

2. The mediation or arbitration, as the case may be, shall take place at such location and times as agreed upon by the parties and failing such agreement as set by the mediator or arbitrator, as the case may be.

7. DELIVERY OF AGREEMENT AND NOTICES

1. This Agreement may be signed in counterparts and each of such counterparts shall constitute an original document and such counterparts, taken together, shall constitute one and the same instrument. This Agreement shall be deemed to have been executed and delivered by a party if such party has signed an original of this document and a scan or other image of such signed original document has been transmitted to the other party by fax, email or other means of electronic transmission.

2. Any invoice, notice or other communication required or permitted to be given under this Agreement shall be in writing and shall be given by prepaid first-class mail or by hand-delivery or by facsimile or by email. Any such invoice, notice or other communication, if mailed by prepaid first-class mail, at any time other than during a general discontinuance of postal service due to strike, lockout or otherwise, shall be deemed to have been received on the fourth business day after the post-marked date thereof, or if delivered by hand shall be deemed to have been received at the time it is delivered to the applicable address noted below to an individual at such address having apparent authority to accept deliveries on behalf of the addressee, or if delivered by facsimile or email shall be deemed to have been received on the date of facsimile or email provided such date is not a Saturday, Sunday or statutory holiday in the Province of Ontario. Notice of change of address shall also be governed by this section. In the event of a general discontinuance of postal service due to strike, lock-out or otherwise, invoices, notices or other communications shall be delivered by hand, facsimile or email. Invoices, notices and other communications shall be addressed to the relevant party at the address set out below for such party:

8. GENERAL MATTERS

1. Each provision of this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction shall not affect the validity or enforceability of any other provision hereof.

2. No party may assign its rights or benefits under this Agreement without the written consent of the other which may be arbitrarily withheld.

3. Time is of the essence of this Agreement.

4. Each of the parties hereto shall promptly do, make, execute or deliver, or cause to be done, made, executed or delivered, all such further acts, documents and things as the other party hereto may reasonably require from time to time for the purpose of giving effect to this Agreement and shall use reasonable efforts and take all such steps as may be reasonably within its power to implement to their full extent the provisions of this Agreement.

5. This Agreement constitutes the entire agreement between the parties pertaining to the subject matter of this Agreement. There are no warranties, representations or other agreements between the parties in connection with such subject matter except as specifically set forth or referred to in this Agreement. Except as expressly provided in this Agreement, no amendment, waiver or termination of this Agreement shall be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement shall constitute a waiver of any other provision nor shall any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided.

6. This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

IN WITNESS WHEREOF the Municipalities have executed this Agreement by the hands of their duly authorized signing officers.

Shared Services Steering Committee
TERMS OF REFERENCE**

Mandate: The Shared Services Steering Committee (SSSC) shall represent the interests of the Councils of Morris Turnberry and North Huron with respect to the Shared Service Project, having regard for the project goals and broader benefit of both Municipalities. The SSSC shall receive regular updates on the implementation, operation and progress of the Shared Services Project from the CAO's, providing direction on routine matters and reporting back to respective Councils on the status of the Shared Services Project. SSSC activities shall include;

- To receive reports on the status of project implementation and operational matters relating to the shared services.
- To give approval/direction to the CAO's on project related matters, determining when approval of the full Councils is required.
- To discuss additional opportunities for future collaboration and partnership, as they may arise.

Composition: The SSSC shall consist of the Mayor/Reeve, Deputy Mayor/Reeve, and one member of Council from each municipality, as appointed by the Councils. The CAO's shall attend all SSSC meetings as a staff resource.

Authority: The SSSC shall have the authority to make implementation decisions, within guidelines and purchasing thresholds established by each Council. The SSSC, in conjunction with the CAO's, shall determine when approval for decisions is required by each Council.

Meeting Procedures: Agendas and meeting materials shall be distributed to all SSSC members prior to the meeting. A standard agenda format shall be developed to ensure that important items are kept at the forefront. Recommendations to Councils and direction to staff shall be made in the form of a motion. Minutes of the meetings shall be kept by the CAO's. The meeting schedule and frequency shall be established by the SSSC. Additional or special meetings may be called at the discretion of the CAO's and/or the Mayor/Reeve. Confidential matters may be discussed during SSSC meetings. SSSC members shall not disclose any confidential matter that arises during a SSSC meeting, unless it is in a properly authorized closed session of the Municipal Council.

Communication: The activities of the SSSC are communicated both internally within each organization and externally to the public. The CAO's shall prepare written reports and the SSSC shall verbally report on SSSC activities to the respective Councils.

Term: The SSSC shall remain in effect for the Term of each Council. At the beginning of each new Council term, SSSC members shall be appointed in accordance with each Municipality's committee appointment protocol.

TO WHOM IT MAY CONCERN;

2016 marks the 80th year since Lewis Flowers opened its doors at this location in 1936. Thirty-two of those years have been under the direction and ownership of Allan Dickson and Family.

To celebrate this auspicious occasion we would like to request permission to close Frances Street from Diagonal Road to Victoria Street so that we may run some family based activities on Saturday May 14, 2016 from 9:00 am to 4:00 pm.

Activities would include:

- Old cars and trucks on display from the 1930's
- Jumping castles that will be placed on private property not on the street
- Clown for entertainment
- CKNX mobile radio broadcasting
- Possibly other businesses wanting to showcase their wares and what they do
- Refreshments cookies, snowcones, lemonade

If approval is given all residents living in the block would be notified of the closure by me before the scheduled event.

Thank you for your consideration.

Yours truly,

Attention: Reeve Neil Vincent and Council Members

Greeting from the Board of Directors of Habitat for Humanity Huron County. HFH HC is a charitable organization with the mission of eliminating poverty housing in Huron County in partnership with volunteers, donors, sponsors and the homeowners themselves. Since 2005 we have built 10 homes within Huron County, giving 10 families a hand up, not a handout. To demonstrate the effectiveness of the program, in 2015 two families were in a position to successfully go to public venues for funding and paid off their Habitat mortgages. Those funds will be used towards another home, for another family.

Each year we hold our Annual General Meeting in the location of the next Build; in 2016 that will be in Blyth. We have requested the use of the Blyth Arena Hall for Thursday, April 28th. As Guest Speaker, Ms. Barbara Hall of the Huron County Housing Authority will be presenting information on the state of housing for low income families in Huron County. We would like to extend an invitation to a representative of the Township Council to bring Greetings to those attending.

At this time, we would request a waiver of the facility fees. If you should have any questions, please feel free to call me at 519-612-1614.

Dear Neil Vincent:

On behalf of the Board of Directors, staff, and volunteers of Huron Hospice, I am writing to you to request consideration of financial support to help assist Huron Hospice with the services that we provide in the County of Huron.

Huron Hospice is a registered charity that provides multiple services to individuals, caregivers and their families who are facing life threatening illnesses and end of life situations. Our services also include *grief support for the bereaved, community educational courses on how to handle loss of any type, suicide support groups, cancer support groups and programs for students in both elementary and secondary schools which help build their resiliency skills when faced with loss.* In addition to these support groups, our qualified and trained volunteers provide one on one support to those in need.

As you are aware, the elderly population in Huron County is growing in numbers. Our goal is to be able to assist people in dealing with their own mortality as well as support the families who are left to grieve. We recognize that the dying and those who grieve are often the forgotten people in these difficult times. It is a time in life that people require support the most, but often do not receive it. Our message to the community is simple. *"Everyone deserves the best quality of life possible when faced with the journey at end of life or bereavement due to a significant loss."*

Although this program is partially funded through the SW LHINS and as well in part, by the Perth Huron United Way, services have grown to exceed the resources provided and necessitate additional fundraising initiatives that we already have in place.

We would greatly appreciate your financial support of Huron Hospice Volunteer Service. Every donation is given directly back to the community by supporting those in need.

Wingham, ON N0G 2W0

Dear Reeve Vincent,

I write to you today to ask you to support my efforts as MPP and PC Critic for Women's Issues, to call on the provincial government to take immediate steps to combat human trafficking in Ontario and to raise public awareness of this horrid crime.

Human trafficking is a heinous crime that has been referred to as nothing short of modern day slavery. It is one of the fastest growing crimes, and starts and stays in Canada – over 90 percent of victims are Canadian-born. Worse, Ontario is a major hub for human trafficking in Canada, as the proximity to cities along the Highway 401 corridor provides an accessible thoroughfare for traffickers, and the ability to keep victims isolated. Victims are lured over the internet, meaning that this crime is in our neighbourhoods, our communities and our towns.

Victims – predominantly girls averaging the age of 14, and shockingly as young as 11 – are lured into a nightmare that they can almost never escape on their own. Traffickers recruit, transport, harbour and control the girl next door for sexual exploitation or forced labour.

On February 18, 2016, the Legislative Assembly of Ontario unanimously supported Bill 158 on Second Reading, which aims to take immediate steps against human trafficking in Ontario.

The bill provides as follows:

- Declare February 22nd as Human Trafficking Awareness Day in Ontario;
- Allow for an application to be brought by a parent of a trafficking victim under the age of 18, a trafficking victim aged 18 or over or an authorized agent such as Covenant House to obtain a protection order from a judge to prohibit the trafficker from contacting or approaching the victim. Such an order would remain in place for a minimum of three years;

- Create a tort or civil action of human trafficking, allowing victims to sue their traffickers for damages and an accounting of profits; and
- Amend the definition of “sex offender” under *Christopher’s Law (Sex Offender Registry), 2000* to include criminal offences for trafficking of victims under the age of 18 years.

In May of last year, I also received unanimous support for a motion asking the Government of Ontario to immediately create a provincial task force to combat human trafficking in Ontario.

The task force would have a similar structure and funding model to the Guns and Gangs Task Force. A multi-jurisdictional task force made up of specially-trained police officers, Crown prosecutors, judges, and frontline workers would coordinate information sharing, and collaboratively work to apprehend criminals and rescue victims. Training and education would also have to be specialized not only for law enforcement and the justice system, but for victims’ services, health care workers, schools and businesses.

The task force was endorsed by the Select Committee on Sexual Violence and Harassment, which I had the honour of co-chairing.

The two recommendations are as follows:

57. The Ontario government provide resources for the development of a coordinated approach to help victims of human trafficking, allowing providers of support services and the criminal justice system to share information and work collaboratively.

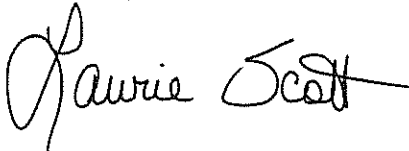

58. The Ontario government develop a multi-ministerial, province-wide strategy on human trafficking.

Ontario is far behind other provinces when it comes to combatting human trafficking and taking significant action. For instance, in Manitoba, they have enacted legislation as far back as 2012, which has seen multiple victims rescued and traffickers put behind bars for breaching protection orders.

I ask that you and your council members consider putting forward a resolution to support the following attached draft resolution.

I look forward to your support.

Sincerely,

Laurie Scott, MPP
Haliburton-Kawartha Lakes-Brock

ONTARIO ENERGY BOARD NOTICE

The Ontario Energy Board is holding a hearing to consider what mechanisms may be used to recover the costs of expanding natural gas service to Ontario communities that are currently not served.

Learn more. Have your say.

The Ontario Energy Board is commencing a hearing on its own motion to consider what mechanisms may be used to recover the costs of expanding natural gas service to Ontario communities that do not currently have access to natural gas.

In July 2015, Union Gas Limited filed an application (EB-2015-0179) to expand natural gas service to certain rural and remote communities. That application included a proposal to have existing Union Gas Limited customers pay a portion of the costs to connect new customers. The Ontario Energy Board has determined that the requests made by Union Gas Limited in that application raise issues that may be common to any entity that wishes to provide natural gas service to communities that do not currently have access to natural gas service. The Ontario Energy Board will therefore address these issues through a generic proceeding.

The Ontario Energy Board will put the hearing of Union Gas Limited's application (EB-2015-0179) on hold until the generic hearing is complete.

In the generic proceeding, the Ontario Energy Board will consider possible alternative ratemaking frameworks to provide natural gas service to Ontario communities that do not currently have access to natural gas. The OEB plans to seek input from intervenors on exactly what the issues should be. However, broadly speaking the OEB intends to review the following issues:

1. Should the OEB implement new ratemaking mechanisms including changes to current economic tests to encourage utilities to expand natural gas distribution service to new communities? If so, what should these new mechanisms be?
2. Should the OEB consider imposing conditions or making other changes to Municipal Franchise Agreements and Certificates of Public Convenience and Necessity to reduce barriers to natural gas expansion?
3. Does the OEB have the authority to require the ratepayers of one utility to subsidize the costs of another utility to expand into new communities? If so, under what circumstances (if any) would this be appropriate?

To see the detailed draft issues list, please select the file number EB-2016-0004 on the OEB website: www.ontarioenergyboard.ca/notice

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the kind of cost recovery mechanisms that may be appropriate for rural and remote community expansion projects in Ontario. We will hear arguments from parties involved in the process and will decide what, if any, new mechanisms are appropriate.

The OEB will adopt into the record of this proceeding, all evidence filed in EB-2015-0179 that is relevant to the issues to be determined for the generic hearing. The OEB will provide an opportunity for the filing of further evidence in subsequent procedural orders.

The OEB will deem the intervenors in the EB-2015-0179 case to be intervenors in this generic hearing and grants to any such intervenors the same cost eligibility status as was granted in EB-2015-0179.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process.

- You can review this Notice and related documents on the OEB's website now.
- You can sign up to observe the proceeding by receiving OEB documents related to the hearing.
- You can file a letter with your comments which will be considered during the hearing.
- You can become an active participant (called an intervenor). Apply by **February 22, 2016** or the hearing will go ahead without you and you will not receive any further notice of the proceeding.
- At the end of the process, you can review the OEB's decision and its reasons on our website.

LEARN MORE

Our file number for this case is **EB-2016-0004**. To learn more about this hearing, find instructions on how to file letters or become an intervenor, or to access any document related to this case (including the draft issues list), please select the file number **EB-2016-0004** from the list on the OEB website at www.ontarioenergyboard.ca/notice. You can also phone our Consumer Relations Centre at 1-877-632-2727 with any questions.

ORAL HEARING

The OEB intends to proceed with an oral hearing for this case.

PRIVACY

If you write a letter of comment, your name and the content of your letter will be put on the public record and the OEB website. However, your personal telephone number, home address and email address will be removed. If you are a business, all your information will remain public. If you apply to become an intervenor, all information will be public.

This hearing will be held under sections 19 and 36 of the Ontario Energy Board Act, 1998.

Kirsten Walli, Board Secretary
Ontario Energy Board

Re: Ontario Energy Board Generic Proceeding EB-2016-004

Dear Ms. Walli,

Regarding the Ontario Energy Board's Generic Proceeding EB-2016-004, the Eastern Ontario Wardens' Caucus would like to provide the following submission as a letter of comment.

As an organization representing the interests of municipal taxpayers in rural Eastern Ontario, the EOWC supports the initial application from Union Gas (EB-2015-0179) to expand natural gas service to rural and remote communities. Beyond that, however, the EOWC also supports any similar efforts from other entities, such as Enbridge Gas, that wish to provide natural gas services to rural and remote communities that do not currently have access to such services.

The expansion of the infrastructure required to provide natural gas to rural communities that would otherwise not receive this service would allow for significant economic benefits for every sector: residential, commercial and industrial. Natural gas is the most reliable, efficient, and economical form of energy, but due to the dispersed nature of our population – coupled with our geography and geology – many areas remain underserved or are simply not serviced at all.

As the economic development of our region is a priority issue, the expansion of the natural gas network is of great importance to everyone who lives and does business in rural Eastern Ontario. If certain conditions were put into place, such as those being considered by the Ontario Energy Board, it may become financially feasible to extend natural gas to the EOWC region.

The EOWC is an incorporated non-profit organization comprised of the elected Wardens of the 13 County Councils in rural Eastern Ontario, stretching from Northumberland in the west to the Quebec border in the east, with a combined population of 750,000. In closing, on behalf of the EOWC, I strongly encourage the Board to consider and approve any measures raised in the Generic Proceeding EB-2016-004 that may allow for the provision of natural gas in our region.

Best regards,

Subject: Wingham Farmers' Market usage of Cruickshank Park in 2016

Dear North Huron Councillors;

The Wingham Farmers' Market has been working with North Huron staff, the Wingham BIA and community members to improve the market experience for 2016.

After a very strong start in 2015, our vendor numbers began to decline. Their feedback was clear: find a more visible location, preferably in the downtown.

Cruickshank Park would appear to be the ideal location. It is a well-known, warm and inviting green space that is meant to be enjoyed by the community. We have discussed the logistics of using Cruickshank Park with adjacent businesses, the fire department, North Huron staff and the Horticultural Society and everyone has been supportive.

The Cruickshank Park user fee is \$30.14 + HST per half day (Community Group Rate), whereas the 2015 municipal parking lot location was available to the Farmers' Market rent free. Over the course of the 18-week market season the total cost would be \$543.52 + HST.

Our request to North Huron Councillors is for an in-kind contribution equivalent to \$543.52 + HST for the Wingham Farmers' Market to use Cruickshank Park, effectively waiving the user fee for 2016.

As a volunteer-run, not-for-profit we would struggle to pay the user fee in this our second season of operation. If the market is as successful in the new location as anticipated, North Huron's support today will enable the Market to be in a position to pay the Park's user fees in 2017.

Sincerely,

A handwritten signature in black ink, appearing to read 'MA', is written over a light grey circular stamp.

**Agreement for Operations, Maintenance and Management Services
By and Between The Corporation of the Township of North Huron
and Veolia Water Canada, Inc.**

THIS AGREEMENT (the “Agreement”) is entered into this __5th__ day of April 2016 by and between:

The Corporation of the Township of North Huron, with its principal address at 274 Josephine Street, Wingham, Ontario N0G 2W0 (hereinafter "the Municipality");

and

Veolia Water Canada, Inc, with a business address at 150 Pony Drive, #2, Newmarket Ontario L3Y 7B6 (hereinafter "VWC").

WHEREAS, The Municipality owns and provides for the operation of water and wastewater and related treatment facilities;

WHEREAS, the Municipality desires to employ the services of VWC in the management, operation and maintenance of these facilities, and VWC desires to perform such services for the compensation provided for herein;

WHEREAS, the Municipality and VWC were parties to a contract dated October 9th, 2015 for provision of Overall Responsible Operator (ORO) services for the water and wastewater facilities; and

WHEREAS, the Municipality desires to have VWC assume responsibility for the overall operation, maintenance and management of the water and wastewater facilities and ;

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth, the Municipality and VWC agree as follows:

1 General

1.1 Definitions of words and phrases used in this Agreement and the Attachments thereto are contained in Appendix A. The Municipality or VWC, or both, may be referred to herein as the “Party” or the “Parties,” as the context of the usage of such term may require.

1.2 All land, buildings, facilities, easements, licenses, rights-of-way, equipment and vehicles presently or hereinafter acquired or owned by the Municipality shall remain the exclusive property of the Municipality unless specifically provided for otherwise in this Agreement.

1.3 Intentionally left blank.

- 1.4 This Agreement shall be governed by and interpreted in accordance with the laws of the Province of Ontario.
- 1.5 This Agreement shall be binding upon the successors and assigns of each of the parties, but neither party shall assign this Agreement without the prior written consent of the other party. Consent shall not be unreasonably withheld.
- 1.6 All notices shall be in writing and transmitted to the party's address stated above. All notices shall be deemed effectively given as follows: (a) when delivered, if delivered personally or by courier mail service, i.e., Federal Express or Airborne Express; (b) three days after being deposited in the Canada Post mail postage prepaid, if delivered by certified or registered mail, return receipt requested; or (c) when received by the party for which notice is intended, if given in any other manner.
- 1.7 This Agreement, including Appendices A through B, Schedule 2 and any written amendments that may be agreed by the parties, is the entire Agreement between the parties. This Agreement may be modified only by written agreement signed by both parties. Wherever used, the terms "VWC" and "the Municipality" shall include the respective officers, agents, directors, elected or appointed officials and employees and, where appropriate, subcontractors or anyone acting on their behalf.
- 1.8 If any term, provision, covenant or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions shall remain in full force and effect, and shall in no way be affected, impaired or invalidated.
- 1.9 It is understood that the relationship of VWC to the Municipality is that of independent contractor. The services provided under this Agreement are of a professional nature and shall be performed in accordance with good and accepted industry practices for contract operators similarly situated. However, such services shall not be considered engineering services, and nothing herein is intended to imply that VWC is to supply professional engineering services to the Municipality, unless specifically stated in this Agreement to the contrary.
- 1.10 If any litigation is necessary to enforce the terms of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, which are directly attributed to such litigation, in addition to any other relief to which it may be entitled.
- 1.11 Nothing in this Agreement shall be construed to create in any third party or in favor of any third party any right(s), license(s), power(s) or privilege(s).
- 1.12 Prior to the commencement of work under this Agreement, each party shall designate in writing an employee or other representative of the designating party who shall have full authority to approve changes in the Scope of Work and compensation therefor, execute written Change Orders reflecting such changes,

render decisions promptly, and furnish information expeditiously to the other party when necessary.

2 VWC's Services - General

- 2.1 At the time this agreement is signed, VWC will staff the Project with employees, including management and operational personnel, who have met appropriate licensing and certification requirements of the Province of Ontario and who meet relevant legal requirements and certifications regarding operations and maintenance of the facilities and demonstrate experience necessary to operate and maintain the facilities. In staffing the Project, VWC will consider existing employees of the Municipality for continued employment at the Project, provided however that the ultimate decision about staffing, including identity and number of personnel at the Project, shall be at VWC's discretion.
- 2.1 a) VWC shall take on successor employer obligations for the 3 existing municipal operations staff intended to be hired from the municipality at the start of this contract. Employees shall generally be kept whole, such that their total annual compensation package is comparable to what they received from the Municipality, subject to a limitation of a maximum of 4 weeks annual vacation.
- 2.2 VWC shall provide ongoing training and education for appropriate personnel in all necessary areas of modern wastewater process control, such as operations, maintenance, safety, supervisory skills, energy management, etc.
- 2.3 VWC shall develop and/or supply and utilize computerized programs for collection and furnishing of complete and accurate maintenance, process control, cost accounting, and laboratory Quality Assurance/Quality Control records. The computerized programs shall be capable of readily providing historical data and trends. VWC may continue to make use of the Municipalities network and software for tracking process control and laboratory data.
- 2.4 Within one hundred eighty (180) days after VWC begins service under this Agreement, VWC will provide a physical inventory of the Municipality's vehicles and equipment in use at the Project and a general statement as to the condition of each vehicle or piece of equipment.
- 2.5 VWC will provide the Municipality with a physical inventory of chemicals and other consumables (including spare parts) on hand when VWC begins services under this Agreement. VWC will provide the Municipality with the same quantity of chemicals and other consumables (including spare parts) or equivalent upon termination of this Agreement. In the event that VWC provides the Municipality with a quantity in excess of the baseline amount, the Municipality shall pay VWC for the additional chemicals supplied.

- 2.6 VWC shall be responsible for maintaining all manufacturers' warranties on new equipment purchased by the Municipality and will assist the Municipality in enforcing existing equipment warranties and guarantees.
- 2.7 VWC shall provide the Municipality with full documentation that preventive maintenance is being performed on the Municipality's owned equipment, in accordance with prudent industry practices, at intervals and in sufficient detail as may be determined by the Municipality. Such a maintenance program must include documentation of corrective and preventive maintenance and a spare parts inventory.
- 2.8 VWC shall operate, maintain and/or monitor the Project on a 24-hour per day, seven-day per week schedule.
- 2.9 Visits may be made at a reasonable time by the Municipality's employees so designated by the Municipality's representative. Keys for the Project shall be provided to the Municipality by VWC for such visits. All visitors to the Project shall comply with VWC's operating and safety procedures.
- 2.10 VWC will implement and maintain an employee safety program in compliance with applicable laws, rules and regulations and make recommendations to the Municipality regarding the need, if any, for the Municipality to rehabilitate, expand or modify the Project to comply with governmental safety regulations applicable to VWC's operations hereunder.
- 2.11 VWC may modify the process and/or facilities to achieve the objectives of this Agreement and charge the Costs to the Maintenance and Repair Limit; provided, however, no modification shall be without the Municipality's prior written approval, if the complete modification Cost shall be in excess of two thousand dollars (\$2,000.00).
- 2.12 In any emergency affecting the safety of persons or property, VWC may act without written amendment or change order, at VWC's discretion, to prevent threatened damage, injury or loss. Except where the emergency is the direct result solely of VWC's negligence, VWC shall be compensated by the Municipality for any such emergency work notwithstanding the lack of written approval. Such compensation shall include VWC's Costs for the emergency work plus a reasonable mark-up for overhead and profit. Nothing contained in this Section shall impose upon VWC a duty to perform any emergency work absent a change order, and failure to perform any such emergency work shall not impose upon VWC any liability for errors and omissions.
- 2.13 As required by law, permit or court order, VWC will prepare plant performance reports and submit them to the Municipality for signature and transmittal to appropriate authorities.
- 2.14 VWC will provide laboratory testing and sampling presently required by plant performance portions of any federal, provincial or local rules and regulations,

statutes or ordinances, permit or license requirements or judicial and regulatory orders and decrees.

- 2.15 By Nov1 each year VWC will provide a listing of recommended capital improvements required for the Project. VWC will not be relieved of its responsibility to perform if the recommendations are not implemented; provided, however, that capital improvement necessary to: (i) meet effluent requirements; or (ii) meet federal, provincial or local laws, rules or regulations for the safety of persons in or about the Project;, shall not be optional for the Municipality. If approved, the Municipality will make arrangements for the design and construction of said improvements.
- 2.16 VWC will otherwise operate the facilities in accordance with all applicable laws and regulations regarding the operation, maintenance, and management of the facilities and all applicable reporting requirements.

3 VWC's Scope of Services – Water and Wastewater

- 3.1 This Article shall apply to VWC's OM&M services for the Municipality's water treatment and supply systems and waste water treatment facilities (the “**Facilities**”), described in Schedule 2.1(a);
- 3.2 Within the design capacity and capabilities of the Facilities described in Schedule 2.1(a), VWC will manage, operate and maintain the Facilities in such manner that they meet the requirements specified in Schedule 2.
- 3.3 Subject to the availability of funds within the Maintenance and Repair Limit, VWC will perform all Maintenance and Repairs, and submit a monthly accounting to the Municipality, along with a detailed invoice, if Maintenance and Repair expenditures for the Project exceed the Maintenance and Repair Limit specified in Section 5.1. The scope of the Systems and of VWC's services for the maintenance and repair of the Systems are set forth in Schedule 2.
- 3.4 VWC shall maintain lab sample analysis , of the Municipalities regulatory samples, by SGS labs, and shall not change labs without the express permission of the Municipality

4 The Municipality's Duties

- 4.1 The Municipality shall fund all necessary Capital Expenditures. Priority shall be given to safety related expenses. Any loss, damage, or injury resulting from the Municipality's failure to provide capital improvements and/or funds in excess of the Maintenance and Repair Limit, when reasonably requested by VWC, shall be the sole responsibility of the Municipality.

- 4.2 The Municipality shall keep in force and maintain at its sole expense all Project permits, warranties, guarantees, easements and licenses that have been granted to the Municipality and are not transferred to VWC under this Agreement.
- 4.3 The Municipality shall pay all sales, excise, *ad valorem*, property, franchise, occupational and disposal taxes, or other taxes associated with the Project, if any, other than taxes imposed upon VWC's net income and/or payroll taxes for VWC employees.
- 4.4 The Municipality shall provide VWC, within a reasonable time after request and on an "as available" basis, with the temporary use of any piece of the Municipality's heavy equipment, including suitably licensed operator, that is available so that VWC may discharge its obligations under this Agreement in the most cost effective manner. This includes specifically the Municipalities sewer flushing truck, which the Municipality shall retain ownership of and keep licensed and in good repair
- 4.5 The Municipality shall provide all registrations and licenses, and insurance for the Municipality's vehicles used in connection with the Project.
- 4.6 As necessary, the Municipality shall provide for VWC's entry into existing disposal facilities for screenings, grit, sludge and scum.
- 4.7 The Municipality shall provide the Project with appropriate security personnel and/or devices to protect against any losses resulting from the theft, damage, or unauthorized use of property owned by the Municipality and shall accept liability for such losses, except to the extent such losses are directly caused by the negligent acts or omissions of VWC.
- 4.8 The Municipality shall retain and maintain computer networks, software and storage and provide access to VWC, so as to permit VWC to utilize the existing Municipal system for maintaining and accessing operations report, records and data
- 4.9 The Municipality shall arrange and pay for the cost of all utilities (including but not limited to hydro, natural gas, telephone, internet, municipal IT infrastructure. VWC will pay for the cost of generator diesel fuel
- 4.10 The Municipality shall pay for the costs of any security systems that are in place at any of the facilities.
- 4.11 The Municipality shall pay for all Out of Scope services provided by VWC as Out of Scope Services, as approved by the Municipality.
- 4.12 The Municipality shall provide 2 bag tags per week for waste collection. VWC shall encourage recycling at the Facilities and any costs for additional waste disposal (additional bag tags) shall be covered by VWC.

- 4.13 Should the contract be terminated for any reason, the municipality shall instruct and require the replacement O&M service provider to hire and assume successor employer obligations for any of the 3 municipal employees referred to in section 2, who remain working at the project at the time the contract is terminated.

5 Compensation

- 5.1 VWC's compensation under this Agreement shall consist of an Annual Fee. For the first year of this Agreement, VWC's Annual Fee is \$625,000. The Maintenance and Repair Limit included in the Annual Fee is \$25,000. Beginning each year this agreement is in force, VWC will pay the first \$25,000.00, or an amount as may agree to in writing between the Parties, for all Maintenance and Repairs at the Facilities incurred during that Year of the Initial Term or Current Term. These costs will be tracked and reported to the Client on a quarterly basis.
 - 5.1.1 If, during each contract year to the end of the initial term only, the maximum aggregate allowance is not exceeded, then the unexpended funds will be returned to the Municipality or carried over into the following year as agreed between the Parties.
 - 5.1.2 Maintenance, repair, or replacement projects over \$10,000.00 dollars shall be deemed not to come within the Scope of Services and may be funded and managed by the Municipality in their entirety, provided that the Municipality may, at its discretion, have work related to the Maintenance performed by a third party, or by VWC on an Out of Scope basis.
 - 5.1.3 For the first contract year only there shall be a one-time charge of \$10,000 for DWQMS set up and accreditation. To be charged upon receipt of accreditation by VWC
- 5.2 If actual Maintenance and Repair expenditures exceed the Maintenance and Repair Limit, the Municipality will pay the excess to VWC as Out of Scope Service in accordance with Section 6. VWC will notify the Municipality when actual Maintenance and Repair expenditures equal eighty percent (80%) of Maintenance and Repair Limit.
- 5.3 The Annual Fee shall be negotiated each year at least four (4) months prior to the anniversary of this Agreement's commencement date. Should the Municipality and VWC fail to agree, the Annual Fee will be determined by applying yearly change in the Consumer Price Index (all items for the month of November) for Ontario to the Annual Fee, provided that the Fee will in no event decrease as a result of the application of the index. The portion of the Annual Fee attributed to the Maintenance and Repair Limit shall increase or decrease by a percentage equal to the change in the Annual Fee.

5.4 VWC shall bill the Municipality in its regular monthly billing for any Out of Scope Services provided according to the Out of Scope fee table in Schedule 2.

6 Payment of Compensation

6.1 The Municipality shall pay the Annual Price in twelve (12) monthly payments in arrears, with each payment to be made on the 15th day of the month following the provisions of the Services, provided that VWC shall have sent the Municipality an invoice on or around the 15th day of the previous month during which the Services were being provided.

6.2 All other compensation to VWC is due upon receipt of VWC's invoice and payable within fifteen (15) days.

6.3 The Municipality shall pay interest at an annual rate equal to the Bank of Canada's Prime Rate plus four percent (4.0%), said rate of interest not to exceed any limitation provided by law, on payments not paid and received within fifteen (15) calendar days of the due date, such interest being calculated from the due date of the payment. In the event the charges hereunder might exceed any limitation provided by law, such charges shall be reduced to the highest rate or amount within such limitation.

7 Scope Changes

7.1 A Change in Scope of services shall occur when and as VWC's costs of providing services under this Agreement change as a result of:

7.1.1 any change in Project operations, personnel qualifications or staffing or other cost which is a result of an Unforeseen Circumstance;

7.1.2 increases or decreases in the user base;

7.1.3 the Municipality's request of VWC and VWC's consent to provide additional services;

7.1.4 increases or decreases in insurance premium costs or healthcare benefit costs which are not caused by the fault of either party; or

7.1.5 The Municipality and VWC shall negotiate an increase or decrease in VWC's Annual Fee for Changes in Scope.

8 Indemnity, Liability and Insurance

8.1 Notwithstanding anything to the contrary in this Agreement, VWC hereby agrees to indemnify and hold the Municipality harmless from any liability or damages which may arise from VWC's negligence or willful misconduct under this Agreement; provided, VWC shall be liable only for that percentage of total damages that

corresponds to its percentage of total negligence or fault. Incidents related to influent containing Abnormal Substances beyond the control of VWC shall not be the responsibility of VWC.

- 8.2 The Municipality agrees to indemnify and hold VWC harmless from any liability or damages which may arise from all causes of any kind other than VWC's negligence or willful misconduct, including, but not limited to, breach of a Municipal warranty.
- 8.3 NEITHER PARTY NOR THEIR AFFILIATED COMPANIES, NOR THE OFFICERS, AGENTS AND EMPLOYEES OR CONTRACTORS OF ANY OF THE FOREGOING, SHALL BE LIABLE TO THE OTHER IN ANY ACTION OR CLAIM FOR INDIRECT, CONSEQUENTIAL OR SPECIAL DAMAGES, LOSS OF PROFITS, LOSS OF OPPORTUNITY, LOSS OF PRODUCT, OR LOSS OF USE. Any protection against liability for losses or damages afforded any individual or entity by these terms shall apply whether the action in which recovery of damages is sought is based on contract, tort (including sole, concurrent or other negligence and strict liability of any protected individual or entity), statute or otherwise. To the extent permitted by law, any statutory remedies which are inconsistent with these terms are waived.
- 8.4 VWC DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, AND DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Nothing in this paragraph shall weaken or derogate any manufacturer's warranty which may be applicable.
- 8.5 Except when caused by Abnormal Substances, VWC shall be liable for those fines or civil penalties imposed by a regulatory or enforcement agency for violations occurring on or after the date of VWC's operation of the Facilities relating to the effluent quality requirements provided for in Schedule 2 that are a result of VWC's negligence. The Municipality will assist VWC to contest any such fines in administrative proceedings and/or in court prior to any payment by VWC. VWC shall pay the cost of any such contest.
- 8.6 The Municipality shall be liable for those fines or civil penalties imposed by any regulatory or enforcement agencies on the Municipality and/or VWC that are not a result of VWC's negligence or are otherwise directly related to the ownership of the Project and shall indemnify and hold VWC harmless from the payment of any such fines and/or penalties. VWC shall assist the Municipality to its fullest extent possible in defending the Municipality in any proceeding.
- 8.7 To the fullest extent permitted by law and notwithstanding any other provision of this Agreement, VWC's liability for performance or non-performance of any obligation arising under the Agreement (whether arising under breach of contract, tort, strict liability, or any other theory of law or equity) including, but not limited to its indemnity obligations specified in Section 8.1 of the Agreement, shall be limited to: (i) general money damages in an amount equal to the amount of any proceeds of insurance received by the Municipality or to which VWC is entitled

pursuant to any general liability insurance or automobile liability policy required to be maintained by VWC hereunder as specified in Appendix B (without regard to the amount of any deductible which may be applicable under any such general liability or automobile liability policy) with respect to such loss; or (ii) to the extent proceeds of insurance are not received and such general liability or automobile insurance is not applicable, a cumulative aggregate over the full initial term and any extended term(s) of this agreement of an amount not to exceed \$250,000.00.

- 8.8 Each party shall obtain and maintain insurance coverage of a type and in the amounts described in Appendix B. Each party assumes the risk of loss or damage to its respective property, from any cause, including the actual or alleged negligence or strict liability of the other party, and shall maintain broad form property insurance in order to protect both parties against any such loss. Each party shall provide the other party with reasonably satisfactory proof of insurance.
- 8.9 Indemnity agreements provided for in this Agreement shall survive the termination of the Agreement, or any renewals thereof.

9 Term, Termination and Default

- 9.1 The initial term of this Agreement shall end May 31, 2021. Thereafter, this Agreement shall be automatically renewed for successive terms of five (5) years each, unless canceled in writing by either party no less than one hundred and twenty (120) days prior to expiration. During any term after the initial term, either party may terminate the contract with 180 days' written notice.
- 9.2 During the initial term, a party may terminate this Agreement only for a material breach of the Agreement by the other party; only after giving written notice of breach; and, except in case of a breach by the Municipality for non-payment of VWC's invoices, in which case termination may be immediate by VWC, only after allowing the other party thirty (30) days to cure or commence taking reasonable steps to cure the breach.
- 9.3 In the event that this Agreement is terminated for any reason other than material breach prior to the termination date of the initial term, the Municipality shall pay to VWC a termination fee based on VWC's good faith calculation of any remaining unamortized balance of start-up costs and any demobilization costs or committed costs of VWC.
- 9.4 Upon notice of termination by the Municipality, VWC shall assist the Municipality in assuming operation of the Project. If additional Cost is incurred by VWC at request of the Municipality, the Municipality shall pay VWC such Cost within 15 days of invoice receipt.

- 9.5 Upon termination of this Agreement and all renewals and extensions of it, VWC will return the Project to the Municipality in the same condition as it was upon the effective date of this Agreement, ordinary wear and tear excepted. Equipment and other personal property purchased by VWC for use in the operation or maintenance of the Project shall remain the property of VWC upon termination of this Agreement, unless the property was directly paid for by the Municipality, or the Municipality specifically reimbursed VWC for the cost incurred to purchase the property, or this Agreement provides to the contrary.
- 9.6 At the time of entering into this agreement, the Municipality is negotiating a services sharing agreement with the neighbouring municipality of Morris Turnberry, where VWC currently holds a contract for the Operation and Maintenance of the water system in the town of Belgrave. If the municipalities succeed in reaching an agreement, VWC agrees that this agreement and our agreement with Morris Turnberry, may be renegotiated in a manner acceptable to both parties, to reflect the sharing agreement of the two municipalities.

10 Disputes and Force Majeure

- 10.1 In the event activities by employee groups or unions cause a disruption in VWC's ability to perform at the Project, the Municipality, with VWC's assistance or VWC at its own option, may seek appropriate injunctive court orders. During any such disruption, VWC shall operate the facilities on a best-efforts basis until any such disruptions cease.
- 10.2 Neither party shall be liable for its failure to perform its obligations under this Agreement, if such failure is due to any Unforeseen Circumstances beyond its reasonable control or force majeure. However, this Section may not be used by either party to avoid, delay or otherwise affect any payments due to the other party.

11 Confidentiality

- 11.1 VWC or the Municipality may from time to time disclose to the other party confidential information relating to the provision of services or the terms of this Agreement ("Confidential Information"). Neither party will disclose Confidential Information of the other to any third party, or use such Confidential Information for any purpose other than as specified herein, without the express written consent of the other party. Confidential Information will be clearly designated in writing as confidential. Confidential Information does not include information: (a) generally available to or known to the public; (b) previously known to the recipient; (c) independently developed by the recipient outside the scope of this Agreement; (d) lawfully disclosed by a third party; or (e) required to be disclosed by operation of law. Upon any termination or expiration of this Agreement in accordance with its terms, each party will, within a reasonable period of time thereafter return all confidential or proprietary information received from the other party under the terms of this Agreement, except that each party may retain a legal file copy.

- 11.2 Any protectable intellectual property developed or used by VWC in the course of performing the services under this Agreement shall be the exclusive property of VWC.
- 11.3 The obligations of the Municipality to maintain confidential information is subject to the application of the MFIPPA

APPENDIX A

DEFINITIONS

- A.1 “Abnormal Substances” means substances or materials that: (i) create a fire or explosion hazard at the Facility; (ii) will cause corrosive structural damage to the Facility; (iii) contain solid or viscous pollutants in amounts which will cause obstruction to the flow in the Facility; (iv) are present in flow rates or concentrations that are not treatable by normal facility processes; (v) will result in the presence of toxic gases, vapors or fumes within the Facility in a quality that may cause acute worker health and safety problems; or (vi) will result in an alteration of the requirements or costs for the operation or maintenance of the Facility.
- A.2 "Annual Fee" means a predetermined, fixed sum for VWC's services. The Annual Fee includes Cost and profit.
- A.3 "Capital Expenditures" means any expenditures for (1) the purchase of new or replacement equipment or facility items that cost more than Ten Thousand Dollars (\$10,000); or (2) major repairs which significantly extend equipment or facility service life and cost more than Ten Thousand Dollars (\$10,000) or (3) expenditures that are planned, non-routine and budgeted by the Municipality.
- A.4 "Cost" means all Direct Cost and indirect cost determined on an accrual basis in accordance with generally accepted accounting principles.
- A.5 "Direct Cost" means the actual cost incurred for the direct benefit of the Project including, but not limited to, expenditures for project management and labor, employee benefits, chemicals, lab supplies, repairs, repair parts, maintenance parts, safety supplies, gasoline, oil, equipment rental, legal and professional services, quality assurance, travel, office supplies, other supplies, uniforms, telephone, postage, tools, memberships and training supplies.
- A.6 "Maintenance" means those routine and/or repetitive activities required or recommended by prudent industry practices or by VWC to maximize the service life of the equipment, sewer, vehicles and facilities.
- A.7 "Maintenance and Repair Limit" means the total Maintenance and Repair expenditures that VWC has included in the Annual Fee. Such expenditures exclude any labor costs for VWC's staff assigned to the Project. VWC's specialized maintenance personnel, not assigned at the Project, who provide such specialized services such as, but not limited to, vibration, thermographic and electrical analyses, instrumentation maintenance and repair will be charged to the Maintenance and Repair Limit.
- A.8
- A.9 “Out of Scope Services” are those services provided by VWC, at the request of the Municipality, which are outside of the scope of service under this agreement, or explicitly

identified as such herein, for which VWC shall bill the Municipality as indicated in Schedule 2.

- A.10 The "Project" means all equipment, vehicles, grounds, rights of way, sewers associated with the facilities described in Schedule 2.1(a) and, where appropriate, the management, operations and maintenance of such.
- A.11 "Repairs" means those non-routine/non-repetitive activities required for operational continuity, safety and performance generally due to failure or to avert a failure of the equipment, sewer, vehicles or facilities or some component thereof.
- A.12 "Routine Maintenance" means those small regularly scheduled maintenance activities occurring at least annually such as lubricating equipment, changing oil, belts etc. for which costs are not charged to the Maintenance and Repair Limit.
- A.13 "Unforeseen Circumstances" shall mean any event or condition which has an effect on the rights or obligations of the parties under this Agreement, or upon the Project, which is beyond the reasonable control of the party relying thereon and constitutes a justification for a delay in or non-performance of action required by this Agreement, including but not limited to (i) an act of God, landslide, lightning, earthquake, tornado, fire, explosion, flood, failure to possess sufficient property rights, acts of the public enemy, war, blockade, sabotage, insurrection, riot or civil disturbance, (ii) preliminary or final order of any local, provincial, or federal administrative agency or governmental body of competent jurisdiction, (iii) any change in law, regulation, rule, requirement, interpretation or statute adopted, promulgated, issued or otherwise specifically modified or changed by any local, province or governmental body as it relates to performance under this Agreement, (iv) labor disputes, strikes, work slowdowns or work stoppages, but excluding labor disputes, strikes, work slowdowns or work stoppages by employees of VWC; and (v) loss of or inability to obtain service from a utility necessary to furnish power for the operation and maintenance of the Project.

APPENDIX B

INSURANCE COVERAGE

VWC SHALL MAINTAIN:

1. Statutory workers' compensation for all of VWC's employees at the Project as required by the Province of Ontario.
2. Commercial General Liability insurance, insuring VWC's negligence, in an amount of \$15,000,000 each occurrence and \$15,000,000 general aggregate for bodily injury and/or property damage.
3. Business Automobile Liability insurance, insuring owned, non-owned and hired automobiles used by VWC in its performance of this Agreement in an amount of \$1,000,000 combined single limit each accident.
4. Pollution Liability Insurance, insuring VWC's negligence, in an amount \$5,000,000 per incident and \$5,000,000 policy aggregate on a Claims Made basis. Said policy will not cover pre-existing pollution caused by or existing at the Municipality's site, except for that portion of and to the extent exacerbated by VWC's negligent acts.

THE MUNICIPALITY SHALL MAINTAIN:

1. Statutory workers' compensation for all of the Municipality's employees associated with the Project as required by the Province of Ontario.
2. Property damage insurance at total replacement value for all property, including vehicles owned by the Municipality and operated by VWC under this Agreement. Any property, including vehicles, not properly or fully insured shall be the financial responsibility of the Municipality.

VWC will provide certificates of insurance at the Municipality's request upon signing of this Agreement. VWC and the Municipality will endeavor to provide at least ten (10) days' notice of the cancellation or non-renewal of any policy they are required to maintain under this Agreement. VWC may self-insure reasonable deductible amounts under the policies it is required to maintain to the extent permitted by law. Each party shall include the other party as an additional insured on the coverage's, required herein, excluding workers' compensation, required to be maintained hereby. Each party shall waive its and its insurers' rights of subrogation as respects any claims covered or which should have been covered by valid and collectible insurance including any deductibles and retentions maintained thereunder.

Schedule 2

Schedule 2.1(a) Description of the Facilities

Defined terms set out below but not defined in this Schedule 2

Schedule 2.1(a) shall have the meaning ascribed to such terms in the main body of this Agreement. In the event of any inconsistency between the terms of this Schedule 2

Schedule 2.1(a) and the terms of the main body of this Agreement, the latter shall govern.

For the purposes of this Agreement, the Facilities are described generally as follows:

(i) **Wingham Wastewater Collection, Treatment, and Disposal System**

The street address for WWTP is as follows: 60 Lloyd St, Wingham, Ontario

General Description of facility:

The Wingham Wastewater Treatment Plant is an activated sludge secondary treatment plant with chemical Phosphorus removal with a Rated Capacity of 3400 cubic metres per day. As described in ECA 1040- 9HAN94 issued May 30, 2014. The Wingham sanitary sewer system consists of approximately 31 km of gravity sanitary sewers collected at the sewage pumping station on Josephine St, fitted with 3 line shaft pumps, an emergency standby diesel generator, alarms and controls, that discharges raw sewage via a twinned force main to the modified Sutton process treatment plant located at the west end of Lloyd St. The process consists of a bar screen, 2 mechanical surface aerated aeration basins, 2 flight and chain longitudinal clarifiers, discharging either directly to or through 2 storage lagoons a ultraviolet light disinfection unit. Phosphorous removal achieved through gravity separation using ferric chloride. Currently sludge accumulates in the southerly lagoon and removed as required.

(ii) **Wingham Water Supply, Treatment, and Distribution System**

General Description of facility:

The Wingham water supply consists of 2 independent non gudi groundwater well supplies at Albert and Water Streets using chlorination as primary and secondary disinfection and sodium silicate as iron sequestering complete with standby and portable emergency diesel generators and chlorine contact facilities. Well 3 (Water St, rated at 76 Liters/second discharges directly to the 29 km of distribution watermain where Well 4 (64L/s) discharges to an underground chlorine contact tank and is then pumped to the distribution with 3 line shaft pumps. The distribution also has elevated storage (standpipe) at the west end of John St that has been inspected and deemed potentially needing replaced in the near future. Detailed description contained in MOECC Drinking Water Works Permit and Licences as of January 28, 2016.

(iii) Blyth Wastewater collection, treatment and disposal system

General Description of facility:

The Blyth sanitary sewer system consists of approximately 13 km of gravity sanitary sewers collected at the west end of Thuell St fitted with 3 submersible pumps, controls and alarms, discharging to the sewage treatment plant located at the west end of North St. The sewage treatment plant consists of bar screen and grit removal, 2 aeration basins fitted with fine bubble diffusion and air supplied with 3 rotary lobe compressors, a circular secondary clarifier, chlorination facilities and a tertiary multimedia filter. Phosphorous removal achieved through gravity separation using ferric chloride. Sludge is collected and thickened in a preliminary digester where it is then transferred to a sludge holding tank. Detailed description contained in MOECC C of A 8687-826L6Z issued February 9, 2010.

(iv) Blyth Water Supply, Treatment, and Distribution System

General Description of Facility:

The Blyth Water supply consists of 2 groundwater well supplies with a combined realistic rate of 15 L/s on Thuell St, deemed non gudi, discharging to an in ground chlorine contact/storage facility. There are 2 highlift pumps pumping from the reservoir to the apprx 12.7 km of water distribution piping during normal useage and via a diesel powered higher capacity fire pump during unusual situations. Emergency power is supplied by a manually switched diesel powered emergency generator. A standby well has been constructed in 2015 where design and construction of the new treatment system is anticipated to be completed at end of 2016. Detailed description contained in MOECC Drinking Water Works Permit and License as of January 18, 2016.

**Schedule 2.1(b)
Scope of Supplier Services**

VWC shall provide the following scope of Services expressly set forth below and which can be reasonably implied to be VWC's responsibility in connection with the Services except, where it is expressly stated to be a Municipality responsibility under this Agreement.

(i) Wingham and Blyth Wastewater Collection, Treatment, and Disposal System

- Continuous monitoring of the Wastewater Treatment Facility processes and response to alerts/alarms
- Daily inspection and maintenance of the Wastewater Treatment Facility to ensure acceptable operation of the headworks, secondary wastewater treatment clarifiers, secondary treatment systems, biosolids management systems, pumps, blower and aeration systems, chemical feeders, and all ancillary equipment
- Operation of the raw sewage pumps at the wastewater pumping stations to minimize plant bypasses and flooding of the collection system, while optimizing treatment process efficiency

- Routine removal of screenings and scum from the pump station wet well
- Routine cleaning of grit channels
- Routine raking and inspection of bar screens.
- Screenings and grit disposal as necessary
- Routine hosing/washing of weirs, walls, and channel in aeration and secondary clarifier
- Routine monitoring of clarifier for sludge depth to ensure acceptable return rates
- Routine observation of sludge collection mechanisms for operation, alignment, tension, gearbox leakage, oil condition, and operating temperature
- Routine exchange of gearbox lubricants
- Routine dewatering of clarifier basins and inspection of respective chain and flight collector alignment, mechanical condition, and condition of concrete
- Routine dewatering of aeration basins, cleaning, inspection and maintenance of aeration diffusers as per manufacturer specifications, of aeration distribution piping grid, and condition of concrete
- Optimization of dissolved oxygen and blower operation in the aeration process to minimize energy usage and maintain biological treatment
- Operational monitoring and optimization of chemical feed rates and return sludge rates
- Daily monitoring and operation of secondary clarifiers and return activated sludge system to optimize solids removal, minimize hydraulic loading, and minimize solids carryover
- Routine monitoring and replenishment of process chemicals as necessary
- Routine monitoring and replenishment of fuel tanks for stand-by generators. Fuel shall be supplied by a supplier within the Municipality.
- Routine cleaning, inspection and maintenance of chlorine pumps, and of chlorine contact chambers
- Routine cleaning, inspection and maintenance of UV disinfection system, including changing of bulbs and sleeves.
- Routine monitoring and recording of wastewater and effluent flows, pump station running hours, diesel generator running hours, utilities usage, volume of chemicals used, volume of sludge disposal, and any other parameters deemed necessary to meet compliance requirements and provide an acceptable level of process evaluation information

- Routine sampling, analysis, and recording of any process wastewater parameters deemed necessary to meet compliance requirements and provide an acceptable level of process monitoring and evaluation
- Manage and administer sludge hauling and land application from the Blyth WWTP.
- Manage sludge hauling and land application from the Wingham sludge storage lagoon on an as needed basis. The Wingham sludge hauling and land application shall be handled as a municipal capital project, The contract shall be between a third party and the Municipality at the Municipality's cost, or between VWC and third party as out of scope services
- Routine monitoring and operation of the service water system to minimize potable water usage
- Monthly test operation of the standby generator for approximately 1 hour duration, under load
- Provide for annual visual inspections of Wastewater Manholes, including visual inspection for debris accumulation, structural integrity of walls and access ladders, condition of benching, and infiltration/inflow, and provide a report of manholes needing maintenance or replacement. VWC to provide labour to perform sanitary sewer lateral video inspections, (of blockages) using NH inspection equipment of adequately cleaned and cleared services and to provide a copy of the footage to NH with a report of the issues and an opinion as to the cause of the blockage.
- Provide labour to operate the NH sewer flushing truck to power flush approximately 1/5 of the Wingham and Blyth collection systems annually, with an additional approximate 500m of identified sections annually.
- Provide oversight to Municipal contractor performing mainline camera inspections of approximately 1/5 of the collection system. CCV inspection reports to be reviewed by VWC. (alternatively VWC may provide CCV inspections and/or provision of an Underground Asset Management System (UGAM) for a negotiated rate, such services are currently outside of the scope of work)
- Outside wastes in excess of an average daily intake of 40 m³, or exceeding the North Huron sewer use bylaw at out of scope, but may be accepted for disposal on the agreement of both parties provided such excess amount does not impede the ability of the system to function properly or endanger compliance with operational requirements.
- Supplier shall monitor the treatment of outside wastes and advise Municipality of any abnormalities or compliance issues related to such treatment.
- For new sewer service connections, on infill lots, lay pipe and make connections on municipal property. Excavation, supply and placement of bedding, backfill etc is excluded. New service connections for new subdivisions or developments are excluded

(ii) Wingham and Blyth Water Supply, Treatment, and Distribution System

- Continuous monitoring of the Water Treatment Facility processes and response to alerts/alarms
- Weekly inspection and maintenance of the Water Distribution stand pipe to ensure acceptable operation of the wells, chlorine disinfection systems, pressure and level control systems, pumping systems, chemical feeders, analyzers, and all ancillary equipment
- Routine monitoring of well static water levels as per Applicable Laws and timely reporting of any abnormal fluctuations in ground water levels
- Daily monitoring and operation of the hypochlorite chlorination system and sodium silicate feed system including, checking the chemical feed pumps and optimization of chemical dosing
- Daily distribution free chlorine residual testing
- Routine monitoring and optimization of chlorination contact process to achieve inactivation and removal of regulated pathogenic organisms while maintaining acceptable levels of free chlorine in the treated water and distribution systems
- Routine monitoring and recording of raw water influent, standby generator running hours, utilities usage, volume of chemicals used, free chlorine residual, treated water turbidity, and any other parameters deemed necessary to meet compliance requirements and provide an acceptable level of process evaluation information.
- Maintain chlorine residual in the distribution system
- Conduct water main flushing and hydrant flushing and testing scheduled such that all of the water mains and hydrants have been flushed and tested throughout the Water Distribution System semi annually.
- Monthly test operation of the standby generator
- Repair and paint hydrants where necessary, and winterize each fall
- Routine monitoring of water standpipe through visual inspections, checking controls and valves, and monitoring pressure and water levels
- Routine monitoring of distribution system by looking for major leaks (visual and through water usage trending, and system pressures), inspection of booster stations, exercising of main distribution shutoff valves, and regular collection of distribution samples
- Exercise 100% of the valves in the Water Distribution System annually.

- Preparation of strategies to mitigate water main leakage as necessary, and repair water main breaks as per Emergency Response procedures
- Replacement of upto 2 hydrants annually (cost of hydrants to be charged to Maintenance and Repair Limit)
- For new water service connections on infill lots, lay pipe, and make connections between water main and property owners piping at curb stop. Excavation, supply and placement of bedding material, backfill, etc. are excluded. New service connections for new subdivisions or developments are excluded
- Bimonthly reading of water meters (half of all meters read on a monthly basis)

(iii) General Services

- Monitor the Facilities twenty-four (24) hours per day, seven (7) days per week
- Provide water and sewer locates, water connects and disconnects as required, to a maximum of 150 per year combined. Additional locates and service requests performed on an Out of Scope basis.
- Prepare and submit all required regulatory reports, including monthly, quarterly, and annual reporting.
- Attend Council Meetings on an annual basis, as requested, to report on Facility performance and attendance as needed at Council Meetings to address unusual and urgent issues.
- Maintain a clean work environment to promote occupational health and safety, and protect the Municipal assets
- Provide window washing, janitorial services, and maintenance of HVAC systems as required
- Provide and maintain the Process Control, Computerized Maintenance Management Software Databases, and Compliance Management System
- Within the first ninety (90) days of the start of the Initial Term of this Agreement, provide Owner a list of recommended capital improvements for the Facilities
- Provide certified operators as required by Applicable Laws
- Provide for third party compliance related laboratory analyses as required by Applicable Laws
- Cooperate with and accompany any regulatory authorities on any scheduled or unscheduled inspections, review any inspection reports or orders prepared by such regulatory authority, and prepare any reports or notifications to the Municipality on a

timely basis to address any identified deficiencies or recommendations in relation to the Facility or the Services

- Perform and document all required maintenance in accordance with this Schedule 2.1(b)
- Provide annual testing and calibration of flow measuring and analytical equipment by an independent firm
- Routine testing of safety equipment
- Routine exercising of standby equipment to ensure 100% operability
- Maintain existing or future Municipality owned inventories of spare parts pertaining to or part of the Facilities and provide inventories of any consumables deemed necessary by VWC to perform the Services
- Maintain manufacturer's warranties on new equipment purchased by the Municipality
- Supervise contractors performing sewer or water main cleaning.
- As part of annual capital planning, work with Municipality to plan VWC staff involvement in Municipal Capital projects, including roads projects. VWC staff will assist with or perform water related construction activities, subject to time availability. VWC Staff's top priority will be water and wastewater operations and maintenance and this should not be negatively impacted by involvement in Municipal Capital projects.
- VWC will add one phone line to serve as office line, Municipality will provide all other land line phone and internet access at all sites.

(iv) Staffing, Training, and Corporate Resources

VWC shall provide appropriate staffing of the Facilities with certified operators and other trained staff as required by Applicable Laws and Standard Industry Practice. The following general staffing provisions shall be made:

- Staff the Facilities five (5) days per week (Monday through Friday during Regular Work Hours), eight (8) hours per day; and four (4) hours per day on weekends (Saturday and Sunday, and statutory holidays)
- Provide on-call coverage seven (7) days per week, twenty-four (24) hours per day
- Provide a minimum staff of 3.0 full-time on site employees dedicated to the Municipality project including one (1) Operations Supervisor, and two (2) full-time operators. In addition one (1) part time administrative assistant, and one (1) Project Manager shared with the Goderich Project.
- Fill all vacancies as soon as reasonably possible and within a maximum 4 month period.

- Provide staff visits to each water and wastewater Treatment Facility, once per day, seven (7) days per week (including statutory holidays)
- Provide staff with cell phones such that they can be reached at any time in case of an emergency situation
- Initiate a response to Call-Outs within thirty (30) minutes during Regular Work Hours and within sixty (60) minutes outside of Regular Work Hours
- Provide qualified employees from nearby sites operated by VWC to fill the required positions on an interim or long-term basis as a backup plan during staff shortages
- Provide corporate support resources and a corporate management team generally as described in the Proposal to be available to the Municipality project as required
- Train site personnel as relevant to his/her respective position in ethics and compliance policies, environmental, health, safety and security (EHSS), supervisory skills, unit processes, process control and troubleshooting, operations, maintenance, equipment troubleshooting and repair, sampling and field testing techniques, laboratory procedures, personal computer use, sludge handling and disposal, energy management and all other topics relevant to their position
- Provide a safety program in accordance with Applicable Laws and Standard Industry Practice which comprises policies, training, and procedures including, but not limited to, the provision of a Safety Policies and Procedures Manual, a site-specific Environmental Compliance Manual, and Standard Operating Procedures (SOP)

(v) Quality Assurance/Quality Control (QA/QC)

VWC QA/QC program will be the primary means by which VWC delivers on the Performance Guarantees. QA/QC will generally comprise the program as outlined in the Proposal, including an integration of the following function operations and industry standard tracking software packages:

- Compliance Management System
- Peer Audit Review Program (Formal Comprehensive O&M Audit)
- Process Control Software
- Process Control Management Plan (PCMP, Process Oversight System)
- Computerized Maintenance Management Software
- Laboratory QA/QC (Laboratory Management Program)
- Safety Program
- Triple I Program (Incident, Injury, and Injury Free reporting/tracking program)

- Environmental Compliance Action Plan (Site-Specific Plan)
- Customer Satisfaction (Site-Specific Plan)
- Environmental Compliance and Reporting

VWC shall closely monitor the operational performance of each of the systems for which it is responsible. Monthly reports will be submitted to confirm that the project has complied with all regulatory requirements. These monthly reports would include, but not be limited to, records of the Facility's operations compliance, water quality analysis, maintenance plans and activities, public inquiries, plant tours, and any other information considered relevant to the project and the partnership with the Municipality.

Supplier technical and management staff, including senior management shall be responsible for monitoring the PCMP. As part of the PCMP, software will generate the operations database and monitor the process control..

Specific items to be implemented by VWC QA/QC program as per the Proposal are as follows:

- VWC shall provide a corporate level safety management program to monitor occupational health and safety of the project.
- VWC shall perform audits or inspections as required to determine compliance with all Applicable Laws with respect to environmental, health and safety compliance programs.
- All incidents and "near-misses" shall be investigated by VWC for root cause analysis, and corrective actions/measures shall be put forward to eliminate future similar incidents. This program shall be documented in the Triple I database.
- VWC shall utilize a Compliance Management System to ensure all required reporting and other necessary functions are completed on time.
- VWC shall provide staff at the project level access to the corporate Regulatory Compliance Database as required.
- VWC shall provide staff at the project level access and training with respect to the corporate Safety Policies and Procedures Manual.
- VWC shall provide the Facilities with a site-specific Environmental Compliance Manual, which sets forth all aspects of environmental compliance, including all site-specific operating permits and approvals.
- VWC shall provide detailed Standard Operating Procedures (SOPs) and associated training for all activities that may place an employee at risk, including written step-by-step procedure outlines, required safety equipment, proper equipment handling, and hazards associated with each activity.
- VWC shall implement a Safety Training Program to ensure that staff is competent in all necessary safety procedures, corporate policy, and regulatory requirements in accordance with Applicable Laws and Standard Industry Practice, including site-specific training, a

3-month evaluation for new staff, minimum monthly training classes for all employees, annual reviews, personal protective equipment, SOPs, and Emergency Plans.

- VWC shall provide a Safety Incentive Program to reinforce the importance of safety and recognize those who achieve outstanding safety performance,.

(vi) Residuals Management

VWC shall provide for the safe disposal of any and all solid and liquid waste material produced by the water and wastewater Facilities in accordance with Applicable Laws.

In addition, VWC shall arrange for and manage sludge disposal utilizing the contract(s) for disposal procured and managed by the Municipality. Sludge disposal shall be in accordance with the Nutrient Management Act (NMA), 2002, as amended from time to time, and in accordance with the Nutrient Management Strategy to be developed for the Wastewater Treatment Plants, by the Municipality, subject to the Change of Law provisions set forth in Article 2.10.

(vii) Disaster, Contingency, and Emergency Programs

VWC shall prepare and provide for Municipal approval an Emergency Plan for the Municipality Facilities to the satisfaction of the Municipality within six (6) months of the start of the Initial Term. This plan shall be developed based on any existing plans for the Facilities, and the Municipalities Emergency Plan. In the case of an Emergency Response, VWC will be responsible to ensure all necessary actions are performed, including those specified in the Emergency Plan. The costs associated with such emergencies will be considered the responsibility of the Municipality to the extent that such services fall outside the scope of Services outlined in this Schedule 2.1(b). The Emergency Plan shall be a site-specific disaster, contingency, and emergency preparedness plan that will be tailored to the exact needs of the Municipality Facilities, and generally follow the scope as given in the sample plan provided in the Proposal.

(viii) Asset Management

VWC shall provide for asset management of the Facilities in accordance with the objectives provided, and prioritizing:

- Reliability,
- Criticality, and
- Cost effectiveness

The objective of the Asset Management program will be to maintain a high state of reliability in a cost effective manner while protecting the Facilities and assets. VWC will develop life-cycle templates for all major assets at the Facilities, which will quantify and evaluate elements like initial cost, criticality, average expected life, average expected overhaul cycle, and all applicable scheduled and unscheduled service activities. These templates shall become part of the CMMS and serve as the basis for asset management of all critical assets.

The Asset Management program will involve both maintenance and operational procedures. The emphasis of the maintenance plan will be:

- Safeguarding the investment in equipment and Facilities

- Using the predictive, preventive, and proactive maintenance programs, which can extend the life, performance reliability and efficiency of equipment
- Ensuring that maintenance is performed in accordance with the equipment manufacturer's warranty, specifications, and Standard Industry Practice

VWC shall perform day-to-day preventive maintenance including, but not limited to the following:

- Carrying out a routine lubrication program including greasing and oiling as specified in the lubrication schedule
- Performing maintenance duties on equipment by following the preventive measures procedures, including testing motor windings, and checking machinery and electrical equipment when required
- Maintaining an inventory on all equipment and tools updated annually.
- Ensuring the security of the facilities by locking doors, gates and access hatches.
- Inspecting process control equipment to ensure proper operation of all pumps and treatment systems, chemical feed systems, etc.
- Checking pumping stations for operational condition in addition to routine readings
- Cleaning chambers, reservoirs and all other facilities
- Monitoring and enforcement of equipment warranties and activities required to preserve such warranties
- General cleaning, calibration, equipment adjustments, lubrication, repairs, and painting to preserve the condition and appearance of the Facilities

VWC shall perform predictive maintenance techniques to monitor and test equipment used during normal operation. This data shall be used to indicate if conditions exist that may lead to equipment failure.

All maintenance activities shall be documented and included in summary reports to the Municipality. Summary reports shall also include work order backlog, projects completed, projects scheduled, total monthly and year-to-date repair and maintenance costs, and an assessment of the program and staff utilization. Summary reports shall be provided by VWC on a monthly and annual basis. VWC shall provide the Municipality full documentation validating that the appropriate maintenance procedures are being performed on all Municipally owned equipment in accordance with manufacturer recommendations and Standard Industry Practice. The documentation will indicate the defined service intervals and a description of the service activities in sufficient detail to satisfy the interest of the Municipality. The maintenance program shall include documentation of maintenance and spare parts inventory.

VWC shall provide all personnel material, parts, equipment, subcontractors, and services necessary to maintain the Facilities structures, process equipment, buildings, HVAC systems, electrical equipment, instrumentation and controls, sewage collection systems, water distribution systems, etc. to maintain high efficiency operations, long-term reliability and preservation of capital investment, excepting that Capital Expenditures, Unexpected Expenses, Excluded Services, and breakdown maintenance of \$10,000 or more

shall be treated as per the main body of this Agreement. Routine and predictive maintenance costs up to a single item or event cost of \$9,999 or annual aggregate cost of \$24,999 shall be considered within the scope of Services, including the cost of labour, services, materials and replacement parts, lubricants, filters, belts, and all other consumable materials.

VWC shall assist the Municipality with its preparation and maintenance of the NH Municipal Financial Plan through use of CMMS data.

(ix) DWQMS

VWC shall obtain and maintain accreditation as the operating authority under the Safe Drinking Water Act. Supplier shall undertake:

- Operate water facilities according to DWQMS operational plans
- Provide ongoing maintenance of operation plans
- Provide annual internal audits as required under DWQMS
- Provide annual Management review as required under DWQMS
- Participate in external DWQMS audits every 3rd year
- Participate in annual external surveillance audits
- Maintain documentation according to document management system
- Provide Annual report and presentation to Council on the DWQMS system
- Cost of internal and external audits are included in the scope of work
- Fees required for amendments to facility approvals, permits and licenses, due to changes or upgrading of Facilities shall be the responsibility of Municipality

**Schedule 2.2
Supplier Rate Schedule for Excluded Services**

Defined terms set out below but not defined in this Schedule 2. shall have the meaning ascribed to such terms in the main body of this Agreement.

Where VWC provides Out of Scope Services, the following rates shall apply:

	Veolia Hourly Rate	Subcontracted Costs	Unit Price
Monday Through Friday - Business Hours	\$60.00		
Overtime Monday Through Friday	\$90.00		
Weekends and Holidays	\$125.00		
Operator Call-ins for Out of Scope Services (minimum 3 hrs.):	\$90.00	Cost plus VWC Markup of 13%	
Project Manager Regular Work Hours:	\$80.00		
Project Manager Regular After Hours:	\$140.00		
Professional or Skilled Trades Regular Hours:	\$95.00		
Utility locates , and Water Shutoffs and Turn-ons in excess of forty (150) per year			
Other Out of Scope Services		Cost plus VWC Markup of 13%	

(1) All supervision for subcontracted service will be charged at the above applicable rates.

Schedule 2.3(a)
Drinking Water Performance Guarantee

Defined terms set out below but not defined in this Schedule 2.8(a) shall have the meaning ascribed to such terms in the main body of this Agreement. In the event of any inconsistency between the terms of this Schedule 2.8(a) and the terms of the main body of this Agreement, the latter shall govern.
